#### 3. Indirect Costs

This section applies to all grant recipients that request reimbursement of indirect costs in their grant application. In accordance with HHS Grants Policy Statement, part II–27, IHS requires applicants to obtain a current indirect cost rate agreement prior to award. The rate agreement must be prepared in accordance with the applicable cost principles and guidance as provided by the cognizant agency or office. A current rate covers the applicable grant activities under the current award's budget period. If the current rate is not on file with the DGM at the time of award, the indirect cost portion of the budget will be restricted. The restrictions remain in place until the current rate is provided to the DGM.

Generally, indirect costs rates for IHS grantees are negotiated with the Division of Cost Allocation http://rates.psc.gov/ and the Department of Interior National Business Center http://www.aqd.nbc.gov/services/ICS.aspx. If your organization has questions regarding the indirect cost policy, please call Mr. Andrew Diggs, DGM, at (301) 443–5204 to request assistance.

### 4. Reporting Requirements

The awardee must submit required reports consistent with the applicable deadlines. Failure to submit required reports within the time allowed may result in suspension or termination of an active grant, withholding of additional awards for the project, or other enforcement actions such as withholding of payments or converting to the reimbursement method of payment. Continued failure to submit required reports may result in one or both of the following: (1) The imposition of special award provisions; and (2) the non-funding or non-award of other eligible projects or activities. This requirement applies whether the delinquency is attributable to the failure of the grantee organization or the individual responsible for preparation of the reports. The reporting requirements for this program are noted below.

#### A. Progress Reports

Semi-annual progress report must be submitted within 30 days of the conclusion of the first six months of the budget period and a final within 90 days of the expiration of the budget period for each award. These reports will include a brief comparison of actual accomplishments to the goals established for the period, or, if applicable, provide sound justification

for the lack of progress, and other pertinent information as required. Final reports must be submitted within 90 days of expiration of the budget/project periods. Separate progress reports are required for the IHS award and the CMS award.

### B. Financial Reports

SF 425 Federal Financial Reports. Cash Transaction and Expenditure Reports are due 30 days after the close of every calendar quarter to the Division of Payment Management, HHS at: http:// www.dpm.gov for each award. It is recommended that you also send a copy of your SF 425 reports to your Grants Management Specialists. Failure to submit timely reports may cause a disruption in timely payments to your organization. Separate financial reports are required for the IHS award and the CMS award. The awardee is responsible for accounting for each award separately.

Awardees are responsible and accountable for accurate information being reported on all required reports: the Progress Reports and Federal Financial Reports.

# C. Federal Subaward Reporting System (FSRS)

These awards may be subject to the Transparency Act subaward and executive compensation reporting requirements of 2 CFR part 170. The Transparency Act requires OMB to establish a single searchable database, accessible to the public, with information on financial assistance awards made by Federal agencies. The Transparency Act also includes a requirement for recipients of Federal grants to report information about first-tier subawards and executive compensation under Federal assistance awards.

Effective October 1, 2010, IHS was instructed by HHS to implement a new Term and Condition into all new NoA, regarding the requirements for use and reporting of Federal subaward data. Although required to be referenced in all Funding Opportunity Announcements, this IHS Term of Award is applicable to all New (Type 1) IHS grants and cooperative agreement awards issued after October 1, 2010. Additionally, all IHS Renewal (Type 2) grant and cooperative agreement awards and Competing Revision awards (Competing T-3s) issued on or after October 1, 2010, may also be subject to the following award term. Further guidance on Renewal and Competing Revision award requirements to report subaward data is expected to be provided as it becomes available.

For the full IHS award term and condition implementing this requirement and additional award applicability information please visit the Grants Policy Web site at: http://www.ihs.gov/NonMedicalPrograms/gogp/

#### **VIII. Other Information**

The Public Health Service strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.
