DATES: All applications must be received by 5 p.m. Eastern Standard Time October 26, 2011. Applications received after this date will not be considered.

FOR FURTHER INFORMATION CONTACT: Food Assistance Division, Office of Capacity Building and Development, Foreign Agricultural Service, 1250 Maryland Avenue, Suite 400, SW., Washington, DC 20024; or by *phone:* (202) 720-4221; or by *fax:* (202) 690-0251; or by e-mail at ppded@fas.usda.gov.

SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

A. *Authority:* The FFPr program is authorized by the Food for Progress Act of 1985, as amended.

B. *Purpose:* The FFPr program provides for the donation of U.S. agricultural commodities to developing countries and countries that are emerging democracies that have made commitments to introduce or expand free enterprise in their agricultural economies. Donated commodities are typically "monetized" (or sold on the local market), and the proceeds are used

to fund agricultural development activities.

C. *Objectives*: For this notice, FAS is concentrating FFPr resources toward achieving two high-level objectives: (1) Increase agricultural productivity and (2) expand trade of agricultural products (domestically, regionally, and internationally). For more information on the two objectives, please see Section V of this notice.

D. *Priorities*: FAS will give priority consideration to otherwise acceptable applications that support results for priority countries, regions, and objectives sectors listed at: <http://www.fas.usda.gov/excredits/FoodAid/FFP/FFPrPriorities.asp>.

II. Award Information

A. *Award Size*: Grants provided under the FFPr program normally range from \$5–\$15 million.

B. *Type of Award*: All awards will be made in the form of competitive grants.

III. Eligibility Information

For eligibility requirements, see the FFPr program regulations (7 CFR 1499.3).

IV. Application and Submission Information

A. *Application Content*: An applicant for funding under FFPr shall submit an application that contains the information specified in 7 CFR 1499.4 which includes a completed form SF-424, an Introductory Statement, a Plan of Operation, and a proposed budget. Guidance on preparing the Introductory Statement, Plan of Operation, and a budget can be found in the proposal entry module of the Food Aid Information System (FAIS) at the following address: <http://www.fas.usda.gov/faais/public>. Additionally, the application shall include a plan to monitor the implementation of all program activities, a Performance Monitoring Plan, and a plan to evaluate all activities and report to FAS on the impact, in accordance with the policy found at: <http://www.fas.usda.gov/excredits/FoodAid/FFP/MEPolicy.asp>.

B. *Method of Submission*: The entire application package must be submitted electronically to FAS's online proposal entry system, the FAIS, located at <http://www.fas.usda.gov/faais/public>.

C. *Deadline for Submission*: All applications must be received by 5 p.m. Eastern Standard Time, October 26, 2011. Applications received after this date will not be considered.

D. *Frequently Asked Questions*: Please see the FAS Web site for frequently asked questions on applying for the

Food for Progress program, available at: <http://www.fas.usda.gov/excredits/FoodAid/FFP/ApplicationFAQs.asp>.

V. Selecting Project Objectives and Results

A. *Results Frameworks*: In an effort to use scarce resources more strategically, FAS has developed two results frameworks for the FFPr program. The two frameworks correspond to the FFPr program's two high-level objectives: (1) Increase agricultural productivity and (2) expand trade of agricultural products (domestically, regionally, and internationally). Applications that do not contribute to one of these two high-level objectives will not be funded. The results frameworks are available on the FAS Web site at: <http://www.fas.usda.gov/excredits/FoodAid/FFP/ResultsFrameworks.pdf>.

B. *Incorporating Results Into Applications*: Applicants must submit an illustration(s) of a framework(s) that shows the intended results for the proposed project. The project framework(s) submitted by the applicant must be consistent with the program-level frameworks that FAS has developed. However, applicants can add or subtract results from/to the frameworks as appropriate but cannot modify any of the remaining results. Within the Introductory Statement, applicants must also provide an assessment of how the proposed project will contribute to the high-level objective(s) of the FFPr program frameworks. The assessment should focus on the country specific context for the project including key problems or barriers that limit an applicant's ability in achieving the high-level objective addressed. The assessment should provide to USDA an understanding of why the application will include results for specific portions of the frameworks and exclude results from others. The assessment will allow USDA to follow the contributions of the application in the frameworks and to make sure the application addresses key problems, barriers, or weaknesses in the country. Applicants should also list strengths in the countries or investments by other donors that explain the rationale for excluding results.

C. *Additional Information*: For specific guidance on how to incorporate the frameworks into a proposal and for a list of performance management indicators, please see our application guidance at: <http://www.fas.usda.gov/excredits/FoodAid/FFP/FrameworkGuidance.asp>.

VI. Proposal Review Criteria

A. *Review Process*: FAS will review all responsive proposals that are submitted by the deadline. FAS will invite comments from other U.S. Government agencies (USG) on its award recommendations, but FAS will make the final determination about which proposals to fund.
