Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties by the amount of antidumping duties reimbursed.

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (“Department”) is conducting an administrative review of the countervailing duty order on certain pasta from Italy for the period January 1, 2009, through December 31, 2009. We preliminarily find that Molino e Pastificio Tomasello S.p.A. (“Tomasello”) and Pastificio Antonio Pallante S.r.l. (“Pallante”) received countervailable subsidies and that F.lli De Cecco di Filippo Fara San Martino S.p.A. (“De Cecco”) received *de minimis* countervailable subsidies. We also find that Pastificio Fabianelli S.p.A. (“Fabianelli”) received countervailable subsidies that were expensed prior to 2009 and did not confer any benefit to Fabianelli during the period of review (“POR”). See the “Preliminary Results of Review” section of this notice below. Interested parties are invited to comment on these preliminary results.
