Drug Enforcement Administration

Stacey J. Webb, M.D.; Denial of Application

On February 24, 2010, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order To Show Cause to Stacey J. Webb, M.D. (Respondent), of Chesapeake, Virginia. The Show Cause Order proposed the denial of Respondent's pending application for a DEA Certificate of Registration as a practitioner, on the ground that she had committed acts which render her registration "inconsistent with the public interest." Order at 1 (citing 21 U.S.C. 823(f)).

The Show Cause Order specifically alleged that Respondent, while holding a DEA registration (which expired by its terms on May 31, 2009), had "prescribed controlled substances to individuals in Virginia and Alabama via the Internet based on online questionnaires, submissions of unverified medical records, and/or telephone consultations without a medical examination." *Id.* The Order further alleged that "[t]he prescriptions * * * were issued for other than a legitimate medical purpose or outside the usual course of professional practice." *Id.* (citing 21 CFR 1306.04(a)). Specifically, the Order alleged that Respondent "failed to establish a valid physician-patient relationship" as required by the laws of Virginia and Alabama. *Id.*; see Va. Code Ann. §§ 54.1-3303, 54.1-2915; Ala. Code § 34-24-360; Ala. Admin. Code 540-X-9-.11. Finally, the Show Cause Order alleged that Respondent holds a medical license in Virginia, but prescribed controlled substances via the internet to individuals in Alabama without possessing a controlled substance certificate as required by state law. *Id.*
