

Category 5: IPEC Objective #4—Examine Government/Industry Evaluation Capabilities and Determine Whether Improvement Is Needed.

- List physical inspection, non-destructive examination, and laboratory testing equipment that your organization owns and operates and that is capable of authenticating a suspected counterfeit part.

- Describe specific products that can be inspected/tested using this equipment and how the inspection/testing technique(s) can be used to distinguish counterfeit product from authentic product.

- List any laboratory/testing certifications or accreditations that your facility(ies) maintains.

- List any governmental or industry customers that employ your testing facilities.

- Describe handling and storage techniques that your facility employs to prevent comingling, tampering and unauthorized release of suspect counterfeit items.

- How much capacity would your facility be able to manage—how many parts per day can you handle? Can your test facility handle classified information?

Category 6: IPEC Objective #5—Establish an Anti-Counterfeiting Training and Outreach Strategy for the Federal Workforce

- Does your organization provide anti-counterfeit training for employees? Identify the type of training that is available. List the types of employees who receive anti-counterfeit training (e.g., Buyers, Inspectors, Engineers, Project Managers).

- Did you model your training after another industry standard or company, or outsource the training? If so, please describe.

- How frequently do you provide anti-counterfeiting training to your employees?

- How do you educate/train your new hires?

- What is the venue and medium for this training? (e.g., Classroom, Web-based, Reading materials)

- How long are the training sessions?
- How do you track and benchmark the effectiveness of your training in anti-counterfeiting?

- What training resources do you provide to suppliers or customers on anti-counterfeit tactics and strategies for your industry or products?

- Do you formally test recipients on the contents of the training and/or provide formal qualifications/certifications upon completion of the training?

- Describe the scope and contents of your anti-counterfeiting training.

BILLING CODE P

NUCLEAR REGULATORY COMMISSION

[Docket No. NRC–2011–0065]

Agency Information Collection Activities: Submission for the Office of Management and Budget (OMB) Review; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of the OMB review of information collection and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) has recently submitted to OMB for review the following proposal for the collection of information under the provisions of the Paperwork Reduction Act of 1995 (44

U.S.C. chapter 35). The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The NRC published a **Federal Register** Notice with a 60-day comment period on this information collection on May 3, 2011.

(1) *Type of submission, new, revision, or extension:* Extension.

(2) *The title of the information collection:* Grant and Cooperative Agreement Provisions.

(3) *Current OMB approval number:* 3150–0107.

(4) *The form number if applicable:* Not applicable.

(5) *How often the collection is required:* Technical performance reports are required every six months; other information is submitted on occasion, as needed.

(6) *Who will be required or asked to report:* Grant and Cooperative Agreement Recipients.

(7) *An estimate of the number of annual responses:* 1064 (714 responses + 350 recordkeepers).

(8) *The estimated number of annual respondents:* 350.

(9) *An estimate of the total number of hours needed annually to complete the requirement or request:* 8,077 (7,540 reporting hours plus 537 recordkeeping hours).

(10) *Abstract:* The Division of Contracts is responsible for awarding grants and cooperative agreements (financial assistance) for the NRC. The Division of Contracts collects information from assistance recipients in accordance with grant and cooperative agreement provisions in order to administer NRC’s financial assistance program. The information collected under the provisions ensures that the Government’s rights are protected, the agency adheres to public laws, the work proceeds on schedule, and that disputes between the Government and the recipient are settled.

The public may examine and have copied for a fee publicly available documents, including the final supporting statement, at the NRC’s Public Document Room, Room O–1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852. OMB clearance requests are available at the NRC Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/index.html>. The document will be available on the NRC home page site for 60 days after the signature date of this notice.

Comments and questions should be directed to the OMB reviewer listed below by September 8, 2011. Comments received after this date will be considered if it is practical to do so, but assurance of consideration cannot be given to comments received after this date.

Chad Whiteman, Desk Officer, Office of Information and Regulatory Affairs (3150-0107), NEOB-10202, Office of Management and Budget, Washington, DC 20503.

Comments can also be e-mailed to CWhiteman@omb.eop.gov or submitted by telephone at 202-395-4718.

The NRC Clearance Officer is Tremaine Donnell, 301-415-6258.

Dated at Rockville, Maryland, this 2nd day of August, 2011.

NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2011-0160]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory Commission (NRC).

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the **Federal Register** under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* Employment Application System for Entry-Level Legal Positions.
2. *Current OMB approval number:* 3150-XXXX.

3. *How often the collection is required:* On occasion.

4. *Who is required or asked to report:* Applicants seeking employment through the NRC Office of the General Counsel Honor Law Graduate Program or Summer Internship Program.

5. *The number of annual respondents:* 1,500.

6. *The number of hours needed annually to complete the requirement or request:* 1,500.

7. *Abstract:* The NRC is seeking to implement a Web-based job application system that will allow the NRC Office of the General Counsel to track, manage, and interact with applicants seeking entry-level attorney positions through the Honor Law Graduate program or temporary, summer legal positions through the Summer Internship Program. Applicants seeking employment consideration will submit application materials, including cover letters, resumes, school transcripts, lists of references, and writing samples, via a Web-based interface. These application materials may contain names, addresses, phone numbers, e-mail addresses, school information/grades, employment information/histories, and works of writing.

Submit, by October 11, 2011, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the burden estimate accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

The public may examine and have copied for a fee publicly available documents, including the draft supporting statement, at the NRC's Public Document Room, Room O-1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852. OMB clearance requests are available at the NRC Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/index.html>. The document will be available on the NRC home page site for 60 days after the signature date of this notice. Comments submitted in writing or in electronic form will be made available for public inspection. Because your comments will not be edited to remove any identifying or contact information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed. Comments submitted should reference Docket No. NRC-2011-0160. You may submit your comments by any of the following methods: Electronic comments: Go to <http://www.regulations.gov> and search for Docket No. NRC-2011-0160. Mail

comments to NRC Clearance Officer, Tremaine Donnell (T-5 F53), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001.

Questions about the information collection requirements may be directed to the NRC Clearance Officer, Tremaine Donnell (T-5 F53), U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, by telephone at 301-415-6258, or by e-mail to INFOCOLLECTS.Resource@NRC.GOV.

Dated at Rockville, Maryland, this 3rd day of August 2011.

NUCLEAR REGULATORY COMMISSION

[NRC-2011-0175]

Biweekly Notice; Applications and Amendments to Facility Operating Licenses Involving No Significant Hazards Considerations

Background

Pursuant to Section 189a. (2) of the Atomic Energy Act of 1954, as amended (the Act), the U.S. Nuclear Regulatory Commission (the Commission or NRC) is publishing this regular biweekly notice. The Act requires the Commission publish notice of any amendments issued, or proposed to be issued and grants the Commission the authority to issue and make immediately effective any amendment to an operating license upon a determination by the Commission that such amendment involves no significant hazards consideration, notwithstanding the pendency before the Commission of a request for a hearing from any person.

This biweekly notice includes all notices of amendments issued, or proposed to be issued from July 14, 2011, to July 27, 2011. The last biweekly notice was published on July 26, 2011 (76 FR 44614).

ADDRESSES: Please include Docket ID NRC-2011-0175 in the subject line of your comments. Comments submitted in writing or in electronic form will be posted on the NRC Web site and on the Federal rulemaking Web site <http://www.regulations.gov>. Because your comments will not be edited to remove any identifying or contact information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed.
