Office of the Secretary

[Docket No DOT-OST-2011-0145]

Notice of Market Assessment and Public Meeting for Digital Transportation Exchange

AGENCY: Office of the Secretary, DOT.

ACTION: Notice of Public Meeting and Request for Comments.

SUMMARY: In accordance with OMB Memoranda M10-06, “Open Government Directive,” the U.S. Department of Transportation (Department or DOT) is evaluating the feasibility and value of a new cloud-based platform to connect citizens, businesses, state and local governments, industry, entrepreneurs, researchers, and investors like never before—creating a thriving marketplace for digital transportation solutions. The Digital Transportation Exchange (DTE) will be a public exchange where citizens, businesses, state and local governments, industry, entrepreneurs, researchers, and investors will converge to find the best way to develop, fund and market the best digital products and services for the transportation industry—from very simple to very complex. Recognizing that transportation solutions are often adopted locally, this site will provide a single location for all of these local solutions to be showcased nationally, encouraging reuse, investment and improvement. DOT is seeking partners to develop, build and maintain this portal. As part of this evaluation, the Department invites the public to participate in a comment process designed to help the Department develop a feasible and high value concept for this portal and the partnership model designed to sustain it. The Department also will hold a stakeholder meeting to discuss and consider comments. Comments and suggestions from these two forums may be incorporated into a follow on procurement that will be released in 2011 to solicit partners.

DATES: The Department will receive comments from interested parties until September 23, 2011.

• Specifically, the Department will hold a stakeholder meeting beginning at 9:30 a.m. ET on September 16, 2011, at the DOT headquarters, to discuss the concept.
