- j. *Deadline for filing comments and or motions:* August 25, 2011.

Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov/docs-filing/efiling.asp>). Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system (<http://www.ferc.gov/docs-filing/ecomment.asp>) and must include name and contact information at the end of comments. The Commission strongly encourages electronic filings.

All documents (original and seven copies) filed by paper should be sent to: Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Please include the project number (P-2188-196) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

k. *Description of Application:* The licensee proposes to replace the aged 100-kV radial lines that interconnect the Morony Development to the Great Falls substation, and the Ryan and Cochran Developments to the Rainbow Switch yard with new, more reliable structures and materials that terminate in the newly constructed Crooked Falls Switchyard. The corridors of the lines from the three developments occupy a total of 146.3 acres of land owned by licensee in fee and easements. There are no Federal lands within the corridors.

l. *Locations of the Application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 502-8371. [Docket No. CP11-527-000]

ANR Pipeline Company; Notice of Application

Take notice that on August 2, 2010, ANR Pipeline Company (ANR), 717 Texas Street, Houston, Texas 77002, filed in Docket No. CP11-527-000, a request for abandonment authority, pursuant to 18 CFR part 157 and section 7(b) of the Natural Gas Act, to abandon transportation of service through certain natural gas facilities located offshore Texas. Specifically, ANR proposes to abandon its present and future obligation to provide transportation service through approximately 7.5 miles of 20-inch pipeline from the producer platform located in High Island Block A-571 to a sub-sea connection in the High Island Offshore System in High Island Block A-546. ANR states that the proposed abandonment will not reduce the capacity that is currently available to the current shipper, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the
