

through adoption and implementation of its published Tariff's provisions the Port "(a) has failed and continues to fail to establish, observe, and enforce just and reasonable regulations and practices relating to or connected with receiving, handling, storing, or delivering property; and (b) has given and continues to give undue and unreasonable preference and advantage or impose undue or unreasonable prejudice or disadvantage with respect to persons." In particular, Complainants allege that the Port has adopted a "Cargo Facility Charge" (CFC) which is "unlawful because Complainants do not receive services commensurate with the fee; because it severely and unreasonably prejudices Complainants while unduly preferring other users of the Port's facilities; and because the Cargo Facility Charge and the rules applying it provide for unlawful expulsion of Complainants from the Port." Complainants request that the Commission issue an order "declaring Respondent's CFC and Section H [of Respondent's tariff] to be unlawful, and commanding Respondent: to cease and desist from the aforesaid violations; to establish and put in force such practices as the Commission determines to be lawful and reasonable; to pay to Complainants by way of reparations for the unlawful conduct herein described a sum to be determined, with interest and attorney's fees and such other sums as the Commission may determine to be proper as an award of reparations; and that such other and further order or orders be made as the Commission determines to be proper in the premises." The full text of the complaint can be found in the Commission's Electronic Reading Room at <http://www.fmc.gov>.

This proceeding has been assigned to the Office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. Pursuant to the further terms of 46 CFR 502.61, the initial decision of the

presiding officer in this proceeding shall be issued by August 13, 2012 and the final decision of the Commission shall be issued by December 11, 2012.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Low Income Home Energy Assistance Program (LIHEAP) Household Report.

OMB No.: 0970-0060.

Description: This report is an annual activity required by statute (42 U.S.C. 8629) and Federal regulations (45 CFR 96.92) for the Low Income Home Energy Assistance Program (LIHEAP).

Submission of the completed report is one requirement for LIHEAP grantees applying for Federal LIHEAP block grant funds. States, the District of Columbia, and the Commonwealth of Puerto Rico are required to report statistics for the previous Federal fiscal year on:

- Assisted and applicant households, by type of LIHEAP assistance;
- Assisted and applicant households, by type of LIHEAP assistance and poverty level;
- Assisted households, regardless of the type(s) of LIHEAP assistance;
- Assisted households, by type of LIHEAP assistance, having at least one vulnerable member broken out; by a person at least 60 years or younger, disabled person, or a child five years older or younger;
- Assisted households, by type of LIHEAP assistance, with at least one member age 2 years or under;
- Assisted households, by type of LIHEAP assistance, with at least one member ages 3 years through 5 years; and
- Assisted households, regardless of the type(s) of LIHEAP assistance, having at least one member 60 years or older, disabled, or five years old or younger.

Insular areas (other than the Commonwealth of Puerto Rico) and Indian Tribal Grantees are required to submit data only on the number of households receiving heating, cooling, energy crisis, or weatherization benefits.

The information is being collected for the Department's annual *LIHEAP Report to Congress*. The data also provide information about the use of LIHEAP funds. Finally, the data are used in the calculation of LIHEAP performance measures under the Government Performance and Results Act of 1993. The data elements will allow the accuracy of measuring LIHEAP targeting performance and LIHEAP cost efficiency.

Respondents: State Governments, Tribal Governments, Insular Areas, the District of Columbia, and the Commonwealth of Puerto Rico.
