

revised and renames what was previously known as the NHSC Uniform Data System (UDS) Report. The survey is completed annually by sites that receive an NHSC provider and are not

currently receiving HRSA grant support. The NHSC Site Survey provides information that is utilized for monitoring and evaluating program operations and effectiveness, in addition

to accurately reporting the scope of supported activities.

The annual estimate of burden is as follows:

| Instrument | Number of respondents | Responses per respondent | Total responses | Hours per response | Total burden hours |
|------------------------|-----------------------|--------------------------|-----------------|--------------------|--------------------|
| NHSC Site Survey | 1200 | 1 | 1200 | 27 | 32,400 |
