Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR 1959– 1963 Comp., p. 389.

■ 2. Section 71.1 is revised to read as follows:

§71.1 Applicability.

A listing for Class A, B, C, D, and E airspace areas; air traffic service routes; and reporting points can be found in FAA Order 7400.9V, Airspace Designations and Reporting Points, dated August 9, 2011. This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552 (a) and 1 CFR part 51. The approval to incorporate by reference FAA Order 7400.9V is effective September 15, 2011, through September 15, 2012. During the incorporation by reference period, proposed changes to the listings of Class A, B, C, D, and E airspace areas; air traffic service routes; and reporting points will be published in full text as proposed rule documents in the Federal **Register**. Amendments to the listings of Class A, B, C, D, and E airspace areas; air traffic service routes; and reporting points will be published in full text as final rules in the Federal Register. Periodically, the final rule amendments will be integrated into a revised edition of the Order and submitted to the Director of the Federal Register for approval for incorporation by reference in this section. Copies of FAA Order 7400.9V may be obtained from Airspace, Regulations and ATC Procedures Group, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC 20591, (202) 267-8783. An electronic version of the Order is available on the FAA Web site at http://www.faa.gov/air traffic/ publications. Copies of FAA Order 7400.9V may be inspected in Docket No. FAA-2011-0855; Amendment No. 71-43 on http;//www.regulations.gov. A copy of FAA Order 7400.9V may be inspected at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to: http://www.archives.gov/ federal-register/cfr/ibr-locations.html.

§71.5 [Amended]

■ 3. Section 71.5 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.15 [Amended]

■ 4. Section 71.15 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.31 [Amended]

■ 5. Section 71.31 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.33 [Amended]

■ 6. Paragraph (c) of § 71.33 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.41 [Amended]

■ 7. Section 71.41 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.51 [Amended]

■ 8. Section 71.51 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.61 [Amended]

■ 9. Section 71.61 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.71 [Amended]

■ 10. Paragraphs (b), (c), (d), (e), and (f) of § 71.71 are amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

§71.901 [Amended]

■ 11. Paragraph (a) of § 71.901 is amended by removing the words "FAA Order 7400.9U" and adding, in their place, the words "FAA Order 7400.9V."

Issued in Washington, DC, on August 22, 2011.

Gary A. Norek,

Acting Manager, Airspace, Regulations, & ATC Procedures Group. [FR Doc. 2011–21832 Filed 8–25–11; 8:45 am]

BILLING CODE 4910-13-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket No. USCG-2009-0558]

RIN 1625-AA08

Eleventh Coast Guard District Annual Marine Events

AGENCY: Coast Guard, DHS. **ACTION:** Final rule.

SUMMARY: The Coast Guard is updating and consolidating the list of marine events occurring annually within the Eleventh Coast Guard District. These amendments standardize the special local regulations language, update listed events, delete events that are no longer occurring, add new unlisted annual events to the regulation, and standardize the format for all tables in these four sections. When these special local regulations are activated, and thus subject to enforcement, this rule would enable vessel movement restrictions in the regulated area.

DATES: This rule is effective September 26, 2011.

ADDRESSES: Comments and material received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket USCG-2009-0558 and are available online by going to http:// www.regulations.gov, inserting USCG-2009–0558 in the "Keyword" box, and then clicking "Search." This material is also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or e-mail Lieutenant Lucas Mancini, Eleventh Coast Guard District Prevention Division, Waterways Management Branch, Coast Guard; telephone 510–437–3801, e-mail *Lucas.W.Mancini@uscg.mil.* If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826. SUPPLEMENTARY INFORMATION:

Regulatory Information

On February 9th, 2011, we published a notice of proposed rulemaking (NPRM) entitled Eleventh Coast Guard District Annual Marine Events in the **Federal Register** (76 FR 27). On May 26, 2011, we published a supplemental notice of proposed rulemaking (SNPRM) of the same title to add clarifying language and change two event dates in the proposed rule (76 FR 30575). We received no comments on either the NPRM or the SNPRM or a request for public meeting. A public meeting was not held.

Background and Purpose

Marine events are annually held on a recurring basis on the navigable waters within the Eleventh Coast Guard District. These events include sailing regattas, powerboat races, rowboat races, parades, and swim events. Many of the annual events requiring special local regulations do not currently reflect changes in actual dates and other required information.

The effects of these special local regulations are to restrict general navigation in the vicinity of the events, from the start of each event until the conclusion of that event. These areas will be patrolled at the discretion of the Coast Guard. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area. These regulations are needed to keep spectators and vessels a safe distance away from the specified events to ensure the safety of participants, spectators, and transiting vessels.

Discussion of Rule

The Coast Guard is revising 33 CFR 100.1101, 100.1102, 100.1103, and adding 33 CFR 100.1104. The changes effectively update the outdated special local regulations. The amendments and addition address minor corrections required in the regulatory text.

The Coast Guard is amending 33 CFR 100.1101, 1101.1102, and 100.1103 by replacing paragraphs a and b of each section to conform to a uniform regulatory text for these sections of 33 CFR part 100 that govern annual marine events within the Eleventh Coast Guard District. Table 1 for each of the listed sections is being updated as follows: existing events that continue to occur are being updated with current information, previously unlisted events are being added, and listed events that the Coast Guard has been unable to verify as continuing are being deleted. The addition of a 33 CFR 100.1104 is needed to ease administrative burden on the event sponsors and the public by adding a specific section for annual marine events requiring special local regulations in the Los Angeles Long Beach Captain of the Port Zone.

This rule will revise the text of 33 CFR 100.1101(b)(3) and 100.1102(b)(3) to delete reference to the Patrol Commander (PATCOM) being located on the lead official patrol vessel. Often the PATCOM is located shoreside in a location that offers a better vantage point to monitor the event. The location of the PATCOM may also be dictated by radio communication requirements, or a need to be co-located with local law enforcement representatives.

Additionally, the Coast Guard will delete the limiting descriptor "commercial" in 33 CFR 100.1101(b)(4) and 100.1102(b)(4), as applied to vessels being allowed to transit through the regulated areas when permitted by PATCOM. Often the PATCOM will allow all queued vessels to transit through a zone; for example during a long break in a race. Commercial vessels are normally given preference, but we do sometimes allow recreational vessels to move.

The Coast Guard will change the dates for events listed as occurring in "late December" to "December." 33 CFR 100.1101, Table 1, item 5, the San Diego Parade of Lights, and item 6, the Mission Bay Parade of Lights are listed as occurring in late December. For administrative efficiency and to avoid potential problems, the Coast Guard is deleting "late" to allow for required flexibility in activating the special local regulations.

Finally, the title of 33 CFR 100.1102 will be revised to clearly indicate the special local regulations that are located in the San Diego Captain of the Port Zone.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary. This rule is not a significant regulatory action because the regulations exist for a limited period of time on a limited portion of the waterways. Furthermore, individuals and vessels desiring to use the affected portion of the waterways may seek permission from the Patrol Commander to use the affected areas.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

We expect this rule will affect the following entities, some of which may be small entities: The owners and operators of vessels intending to fish, transit, or anchor in the waters affected by these special local regulations. These special local regulations will not have a significant economic impact on a substantial number of small entities for the following reasons: Small vessel traffic will be able to pass safely around the area and vessels engaged in event activities, sightseeing and commercial fishing have ample space outside of the area governed by the special local regulations to engage in these activities. Small entities and the maritime public will be advised of implementation of these special local regulations via public notice to mariners or notice of implementation published in the Federal Register.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Lieutenant Lucas Mancini, Eleventh Coast Guard District Prevention Division, Waterways Management Branch, Coast Guard; telephone 510–437–3801, e-mail *Lucas.W.Mancini@uscg.mil.* The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or Tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have Tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions **Concerning Regulations That** Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (*e.g.*, specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.lD, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph 34(h), of the Instruction. An environmental analysis checklist and a categorical exclusion determination are available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

Words of Issuance and Regulatory Text

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—MARINE EVENTS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Revise § 100.1101 to read as follows:

§ 100.1101 Southern California annual marine events for the San Diego Captain of the Port Zone.

(a) General. Special local regulations are established for the events listed in Table 1 of this section. Notice of implementation of these special local regulations will be made by publication in the Federal Register 30 days prior to the event for those events without specific dates. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event. Note: Sponsors of events listed in Table 1 of this section must submit an application each year as required by 33 CFR Part 100 to the cognizant Coast Guard Sector Commander no less than 60 days before the start of the proposed event. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property.

(b) Special local regulations. All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The "official patrol" consists of any Coast Guard or other vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable effective dates and times unless cleared to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator located within a regulated area during all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be

designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander's official representative. As the Sector Commander's representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property.

events listing a period for which a firm date is identifiable. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event. To be placed on the mailing list for Local Notice to Mariners contact: Commander (dpw), Eleventh Coast Guard District, Coast Guard Island, Building 50–2, Alameda, CA 94501–5100. Note: Sponsors of events listed in Table 1 of this section must submit an application each year as required by 33 CFR part 100, subpart A, to the cognizant Coast Guard Sector Commander. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property. A Coast Guard-National Park Service agreement exists for both

the Glen Canyon and Lake Mead National Recreational Areas; applicants shall contact the cognizant authority for approval of events in these areas.

(b) Special local regulations. All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The "official patrol" consists of any Coast Guard, other Federal, state or local law enforcement, and any public or sponsor-provided vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable effective dates and times unless cleared to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator located within a regulated area during all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander's official representative. As the Sector Commander's representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF-FM Channel 13 (156.65MHz) or 16 (156.8MHz) when required, by the call sign "PATCOM".

(4) The Patrol Commander may, upon request, allow the transit of vessels through regulated areas when it is safe to do so.

(5) The Coast Guard may be assisted by other Federal, state, or local agencies.

TABLE 1 TO § 100.1102

[All coordinates referenced use datum NAD 83]

1. Lake Havasu Winter Heat Water-Ski Race	
Sponsor	National Water-ski Racing Association.
Event Description	Water-ski races.
Date	Saturday and Sunday in February.
Location	Lake Havasu, AZ.
Regulated Area	That portion of the lower Colorado River on the Arizona side between Thompson Bay and Copper Canyon.
	2. Havasu Landing Regatta
Sponsor	Southern Outboard Association.
Event Description	Boat Races on closed course.
Date	Saturday and Sunday in February.
Location	Havasu Lake, CA.
Regulated Area	That portion of the lower Colorado River on the California side at Havasu Landing Resort and Casino.
	3. Parker International Water-ski Race
Sponsor	International Water-ski Race Association.
Event Description	Water-ski Show.
Date	Second Saturday and Sunday in March.
Location	Parker, AZ.
Regulated Area	The entire water area of the Colorado River beginning at Bluewater Marina in Parker, AZ, and extending approximately 10 miles to La Paz County Park.
	4. Desert Storm
Sponsor	Lake Racer LLC.
Event Description	Boat Poker Run and Exhibition Runs.
Date	April weekend (3 day event).
Location	Lake Havasu, AZ.
Regulated Area	The waters of the lower Colorado River encompassed by the following boundaries:
-	Boundary one from 34°27′44″ N, 114°20′53″ W to 34°27′51″ N, 114°20′43″ W.
	Boundary two from 34°26′50″ N, 114°20′41″ W to 34°27′14″ N, 114°20′55″ W.
	Boundary three from 34°26′10″ N, 114°18′40″ W to 34°25′50″ N, 114°18′52″ W.
	5. Lake Havasu Grand Prix
Sponsor	POPBA.
Event Description	
Deto	April workend (2 day event)

Date April weekend (2 day event).

	TABLE 1 TO § 100.1102—Continued
	[All coordinates referenced use datum NAD 83]
Location Regulated Area	Lake Havasu, AZ. The waters of the lower Colorado River encompassed by the following boundaries: Boundary one from 34°27′44″ N, 114°20′53″ W to 34°27′51″ N, 114°20′43″ W. Boundary two from 34°26′50″ N, 114°20′41″ W to 34°27′14″ N, 114°20′55″ W. Boundary three from 34°26′10″ N, 114°18′40″ W to 34°25′50″ N, 114°18′52″ W.
6	Bluewater Resort and Casino Spring Classic
Sponsor Event Description Date Location Regulated Area	Southern California Speedboat Club. Professional High-speed powerboat race, closed course. Saturday and Sunday in April. Parker, AZ. The Lake Moovalya area of the Colorado River in Parker, AZ.
7. IJSBA World Finals	
Sponsor Event Description Date Location Regulated Area	International Jet Sports Boating Association. Personal Watercraft Race. Second Saturday through third Sunday of October (10 Days). Lake Havasu City, AZ. The navigable waters of Lake Havasu, AZ in the area known as Crazy Horse Campgrounds.
	8. Parker Enduro
Sponsor Event Description Date Location Regulated Area	Parker Area Chamber of Commerce. Hydroplane, flatbottom, tunnel, and v-bottom powerboat race. Late October. Parker, AZ. Between river miles 179 and 185 (between the Roadrunner Resort and Headgate Dam).
9. Bl	uewater Resort and Casino Thanksgiving Regatta
Sponsor Event Description Date Location Regulated Area	Southern California Speedboat Club. Boat Races. Thursday, Friday, Saturday, and Sunday during Thanksgiving week. Parker, AZ. That portion of Lake Moovalya, Parker, AZ between the northern and southern boundaries of La Paz County Park.
	10. Lake Havasu City Boat Parade of Lights
Sponsor Event Description	London Bridge Yacht Club. Boat parade during which vessels pass by a pre-designated vessel and then transit through the London Bridge Channel. First Saturday and Sunday in December.
Location	Lake Havasu, AZ. The limits of this temporary safety zone consists of the navigable waters of North Lake

■ 4. Revise § 100.1103 to read as follows:

§ 100.1103 Northern California and Lake Tahoe area annual marine events.

(a) *General.* Special local regulations are established for the events listed in Table 1 of this section. Notice of implementation of these special local regulations will be made by publication in the **Federal Register** 30 days prior to the event for those events without specific dates or by Notice to Mariners 20 Days prior to the event for those events listing a period for which a firm date is identifiable. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are

published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event. To be placed on the mailing list for Local Notice to Mariners contact: Commander (dpw), Eleventh Coast Guard District, Coast Guard Island, Building 50-2, Alameda, CA 94501-5100. Note: Sponsors of events listed in Table 1 of this section must submit an application each year as required by 33 CFR part 100, subpart A, to the cognizant Coast Guard Sector Commander. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property.

Havasu, London Bridge Channel and Thompson Bay.

(b) Special local regulations. All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The "official patrol" consists of any Coast Guard; other Federal, state, or local law enforcement; and any public or sponsor-provided vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable effective dates and times unless cleared to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator located within a regulated area during

all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander's official representative; and will be located aboard the lead official patrol vessel. As the Sector Commander's representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF–FM Channel 13 (156.65MHz) or 16 (156.8MHz) when required, by the call sign "PATCOM". (4) The Patrol Commander may, upon

(4) The Patrol Commander may, upon request, allow the transit of commercial vessels through regulated areas when it is safe to do so.

(5) The Coast Guard may be assisted by other Federal, state, or local agencies.

Off Pittsburgh, CA in the waters around Winter Island and Brown Island. The water area of Suisun Bay commencing at Simmons Point on Chipps Island; thence south- westerly to Stake Point on the southern shore of Suisun Bay; thence easterly following the southern shoreline of Suisun Bay and New York Slough to New York Slough Buoy 13; thence north-northwesterly to the Northwestern corner of Fraser Shoal; thence northwesterly to the western tip of Chain Island; thence west-northwesterly to the northeast tip of Van Sickle Island; thence following the shoreline of Van Sickle Island and Chipps Island and re- turning to the point of origin.

■ 5. Add § 100.1104 to read as follows:

§ 100.1104 Southern California annual marine events for the Los Angeles Long Beach Captain of the Port Zone.

(a) General. Special local regulations are established for the events listed in Table 1 of this section. Notice of implementation of these special local regulations will be made by publication in the Federal Register 30 days prior to the event for those events without specific dates or by Notice to Mariners 20 days prior to the event for those events listing a period for which a firm date is identifiable. In all cases, further information on exact dates, times, and other details concerning the number and type of participants and an exact geographical description of the areas are published by the Eleventh Coast Guard District in the Local Notice to Mariners at least 20 days prior to each event. To be placed on the mailing list for Local

Notice to Mariners contact: Commander (dpw), Eleventh Coast Guard District, Coast Guard Island, Building 50–2, Alameda, CA 94501–5100. Note: Sponsors of events listed in Table 1 of this section must submit an application each year as required by 33 CFR part 100, subpart A, to the cognizant Coast Guard Sector Commander. Sponsors are informed that ample lead time is required to inform all Federal, state, local agencies, and/or other interested parties and to provide the sponsor the best support to ensure the safety of life and property.

(b) Special local regulations. All persons and vessels not registered with the sponsor as participants or as official patrol vessels are considered spectators. The "official patrol" consists of any Coast Guard; other Federal, state, or local law enforcement; and any public or sponsor-provided vessels assigned or approved by the cognizant Coast Guard Sector Commander to patrol each event.

(1) No spectator shall anchor, block, loiter, nor impede the through transit of participants or official patrol vessels in the regulated areas during all applicable effective dates and times unless cleared to do so by or through an official patrol vessel.

(2) When hailed and/or signaled by an official patrol vessel, any spectator located within a regulated area during all applicable effective dates and times shall come to an immediate stop.

(3) The Patrol Commander (PATCOM) is empowered to forbid and control the movement of all vessels in the regulated area. The Patrol Commander shall be designated by the cognizant Coast Guard Sector Commander; will be a U.S. Coast Guard commissioned officer, warrant officer, or petty officer to act as the Sector Commander's official representative; and will be located aboard the lead official patrol vessel. As the Sector Commander's representative, the PATCOM may terminate the event any time it is deemed necessary for the protection of life and property. PATCOM may be reached on VHF–FM Channel 13 (156.65MHz) or 16 (156.8MHz) when required, by the call sign "PATCOM."

(4) The Patrol Commander may, upon request, allow the transit of commercial

Coast Guard

33 CFR Parts 100 and 165

[Docket No. USCG-2011-0553]

RIN 1625-AA08; 1625-AA00

Special Local Regulation and Safety Zones; Marine Events in Captain of the Port Long Island Sound Zone

AGENCY: Coast Guard, DHS. **ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing temporary special local regulations and safety zones for marine events within the Captain of the Port (COTP) Long Island Sound Zone for regattas, fireworks displays and swim events. This action is necessary to provide for the safety of life on navigable waters during the events. Entry into, transit through, mooring or anchoring within this zone is prohibited unless authorized by the COTP Sector Long Island Sound.

DATES: This rule is effective in the CFR on August 26, 2011 through 10:30 p.m. on October 1, 2011. This rule is effective with actual notice for purposes of enforcement beginning at 8 a.m. on July 30, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG–2011–0553 and are available online by going

to *http://www.regulations.gov*, inserting USCG–2011–0553 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or e-mail Petty Officer Joseph Graun, Prevention Department, Coast Guard Sector Long Island Sound, (203) 468–4544, *Joseph.L.Graun@uscg.mil.* If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because any delay encountered in this regulation's effective date by publishing an NPRM would be contrary to public interest since immediate action is needed to protect both spectators and participants from the potential safety hazards associated with these events. We spoke

to the event sponsors, and they are unable and unwilling to move their event dates for the following reasons.

vessels through regulated areas when it

(5) The Coast Guard may be assisted

by other Federal, state, or local agencies.

is safe to do so.

Sponsors for Waves of Hope Swim, Stonewall Swim, Hartford Dragon Boat Races and Kayak for a Cause have hundreds of participants registered for their events. Changing the dates for these events would cause numerous cancellations. These events have taken place at the same time and location for the last several years without issue. The sponsors submitted recurring marine event permit applications with the required 60 day notice. This year the Coast Guard is establishing special local regulations and safety zones to mitigate an increased safety risk analysis score, according to permit applications the expected number of participants has increased significantly. This was not discovered until the permit applications were submitted leaving the Coast Guard with insufficient time to solicit for public comment. For future recurring events, the sponsor will be required to provide 135 days notice to ensure sufficient time to solicit for public comments.

The sponsors for Doug Chappy Fireworks, Darin's 30th Birthday Fireworks, Shelter Island Fireworks and Spincola Wedding Fireworks stated their events are held in conjunction with birth dates, anniversaries and weddings and cannot be moved. The sponsors were not aware of the requirements for submitting a marine event application 135 days in advance resulting in a late notification to the Coast Guard. The sponsors are now aware of the reporting requirements.

The sponsor for Ascension Fireworks (also known as Fund in the Sun) submitted a marine event application with sufficient notice to the Coast Guard. This fireworks display is a
