SUPPLEMENTARY INFORMATION:

**Wednesday, September 14, 2011–
Thursday, September 15, 2011**

The Oversight Committee will meet jointly with the Whiting Advisory Panel to finalize and recommend potential management alternatives for Multispecies FMP Amendment 19 for the small mesh fishery (red hake, silver hake, offshore hake). These alternatives will include Annual Catch Limit (ACL) measures (allocations, buffers for management uncertainty, landings limits), Accountability Measures (AM), and possibly other measures to regulate the fishery and prevent catches from exceeding the ACL. Committee recommendations to include alternatives in Draft Amendment 19 will be made at the September 26-29 Council meeting.

If necessary, the Whiting Advisory Panel may meet separately during the meeting. The Skate/Whiting Oversight Committee will also review a final draft skate specifications package and make recommendations at the Council meeting. The Oversight Committee may discuss other business regarding whiting and skate management.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
