Regulatory Flexibility Act Certification

I certify that the following action will
 not have a significant impact on a
 substantial number of small entities.
 The major factors considered for this
 certification were:

1. If approved, the action will not
 result in any additional reporting,

recordkeeping or other compliance
 requirements for small entities other
 than the small organizations that will
 provide the services to the Government.

2. If approved, the action will result
 in authorizing small entities to provide
 the services to the Government.

3. There are no known regulatory
 alternatives which would accomplish
 the objectives of the Javits-Wagner-
 O'Day Act (41 U.S.C. 46-48c) in
 connection with the services proposed
 for addition to the Procurement List.

Comments on this certification are
 invited. Commenters should identify the
