

effect for one year from the effective date unless terminated sooner. *Id.* at 3–4. The China Post 2011 Agreement provides that it becomes effective after all regulatory approvals have been received, acceptance of specific business rules by both parties, notification to China Post, and mutual agreement on an effective date. *Id.* Attachment 1 at 2. It includes a table for intended effective dates applicable to settlement rates for specific products that is variable based on notification from the Postal Service. The agreement also provides that prior to expiration, the parties will determine whether to extend or modify the agreement. *Id.* at 7–8. The agreement may, however, be terminated by either party on not less than 30 days' written notice. *Id.* at 3.

Functional equivalence. The Postal Service asserts that the China Post 2011 Agreement is substantially similar to the inbound portion of the TNT Agreement based on the products being offered and the agreement's cost characteristics. *Id.* at 5. The Postal Service identifies differences that distinguish the instant agreement from the TNT Agreement. *Id.* at 5–8. These distinctions include different foreign postal operators, execution of a separate accord, customs inspection, termination results, confidentiality terms, effective date, rate tables, term, content restrictions, and other differences. *Id.*

The Postal Service asserts that the China Post 2011 Agreement and the TNT Agreement incorporate the same cost attributes and methodology and the relevant cost and market characteristics are similar, if not the same, for the China Post 2011 Agreement and the TNT Agreement. *Id.* at 8. Despite some differences, the Postal Service asserts that the China Post 2011 Agreement is, “functionally equivalent in all pertinent respects” to the TNT Agreement previously filed. *Id.* (Footnote omitted.)

In its Notice, the Postal Service maintains that certain portions of the agreement, prices, and related financial information should remain under seal. *Id.* at 2, Attachment 4.

The Postal Service concludes that the China Post 2011 Agreement complies with 39 U.S.C. 3633 and is functionally equivalent to the TNT Agreement. Therefore, it requests that the Commission add the China Post 2011 Agreement to the Inbound Competitive Multi-Service Agreement with Foreign Postal Operators 1 product. *Id.* at 8.

SUPPLEMENTARY INFORMATION:

- I. Introduction
- II. Notice of Filing
- III. Ordering Paragraphs

I. Introduction

On August 16, 2011, the Postal Service filed a notice, pursuant to 39 CFR 3010.40 *et seq.* that it has entered into an additional Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators 1 agreement.¹ The Notice concerns the inbound portion of a Multi-Product Bilateral Agreement with China Post Group (China Post 2011 Agreement) that the Postal Service seeks to add to the Inbound Market Dominant Multi-Service Agreement with Foreign Postal Operators 1 product.

In Order No. 549, the Commission approved the Inbound Market Dominant Multi-Service Agreement with Foreign Postal Operators 1 product and the Strategic Bilateral Agreement Between United States Postal Service and Koninklijke TNT Post BV and TNT Post Pakketerservice Benelux BV (TNT Agreement) and the China Post Group—United States Postal Service Letter Post Bilateral Agreement, and the China Post Group—United States Postal Service Letter Post Bilateral Agreement (China Post 2010 Agreement). In Order No. 700, the Commission approved the functionally equivalent HongKong Post Agreement.² The Postal Service asserts that the China Post 2011 Agreement is similar to the China Post 2010 Agreement, TNT Agreement, and the HongKong Post Agreement. The Postal Service requests that the China Post 2011 Agreement be included within the Inbound Market Dominant Multi-

MC2010–35, R2010–5 and R2010–6, Order Adding Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators 1 to the Market Dominant Product List and Approving Included Agreement, September 30, 2010 (Order No. 549).

Service Agreement with Foreign Postal Operators 1 product. Notice at 2.

In support of its Notice, the Postal Service filed two attachments as follows:

- Attachment 1—an application for non-public treatment of materials to maintain redacted portions of the agreement and supporting documents under seal; and
- Attachment 2—a redacted copy of the China Post 2011 Agreement.

China Post 2011 Agreement. The Postal Service filed the instant contract pursuant to 39 CFR 3010.40 *et seq.* The Postal Service states that the proposed inbound market dominant rates are intended to become effective on October 1, 2011 after the rates that are currently in effect under the China Post 2010 Agreement expires on September 30, 2011. *Id.* at 3. The China Post 2011 Agreement provides that it becomes effective after all regulatory approvals have been received, acceptance of specific business rules by both parties, notification to China Post, and mutual agreement on an effective date. *Id.* Attachment 2 at 2. The agreement however, may be terminated by either party no less than 30 days' written notice. *Id.* at 3. It states that public notice of the rates is provided through its filing at least 45 days before the proposed effective date. Notice at 3. The Postal Service and China Post Group, the postal operator for China, are parties to the agreement. The Postal Service relates that the agreement covers inbound Letter Post, in the form of letters, flats, small packets, and bags, and International Registered Mail service for Letter Post along with an ancillary service for delivery confirmation scanning for Letter Post small packets. *Id.* at 3–4.

Requirements under part 3010. The Postal Service states that the China Post 2011 Agreement is expected to generate financial performance improvements including, *e.g.*, delivery confirmation service, barcodes for delivery confirmation, sortations for routing, and service updates. It contends that these improvements should enhance mail efficiency and other functions for Letter Post items under the agreement. *Id.* at 5.

The Postal Service asserts that the agreement should not cause unreasonable harm in the marketplace since it is unaware of any significant competition in this market. *Id.* at 5–6.

Under 39 CFR 3010.43, the Postal Service is required to submit a data collection plan. The Postal Service indicates that it intends to report information on this agreement through its Annual Compliance Report. While indicating its willingness to provide

information on mailflows within the annual compliance review process, the Postal Service proposes that no special data collection plan be established for this agreement. With respect to performance measurement, it requests that the Commission exempt this agreement from separate reporting requirements under 39 CFR 3055.3 as determined in Order Nos. 549 and 700 for the agreements in Docket Nos. R2010–5, R2010–6, and R2011–4, respectively. *Id.* at 7.

The Postal Service advances reasons why the agreement is functionally equivalent to the previously filed China Post 2010 Agreement, TNT and HongKong Post Agreements and contains the same attributes and methodology. *Id.* at 8–10. It asserts that the instant agreement fits within the Mail Classification Schedule language for the Inbound Multi-Service Agreements with the Foreign Postal Operators 1 product. Additionally, it states that the China Post 2011 Agreement includes similar terms and conditions, *e.g.*, is with a foreign postal operator, conforms to a common description, and relates to rates for Letter Post tendered from the postal operator's territory with accompanying ancillary services. *Id.* at 9.

The Postal Service identifies specific terms that distinguish the instant agreement from the three existing agreements. These distinctions include the term, purpose of the agreement, effective date, confidentiality terms, signatory, revision of product stream rates, detailed air conveyance charges, specifications for letters, related updates, and other changes. *Id.* at 10–12. The Postal Service contends that the instant agreement is nonetheless functionally equivalent to existing agreements and “[t]he Postal Service does not consider that the specified differences affect either the fundamental service the Postal Service is offering or the fundamental structure of the contracts.” *Id.* at 12.

In its Notice, the Postal Service maintains that certain portions of the agreement, prices, and related financial information should remain under seal. *Id.* at 12; *id.* Attachment 1.

The Postal Service concludes that the China Post 2011 Agreement should be added as a functionally equivalent agreement under the Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators 1 product. *Id.* at 13.
