SUPPLEMENTARY INFORMATION: On July 15, 2011, Capital One Financial Corporation, McLean, Virginia (“Capital One”), requested the Board’s approval under the Bank Holding Company Act (12 U.S.C. 1841 *et seq.*) (“BHC Act”) and related statutes to acquire ING Bank, FSB, Wilmington, Delaware, and to indirectly acquire shares of Sharebuilder Advisors, LLC and ING Direct Investing, Inc., both of Seattle, Washington (collectively, “ING”). The General Counsel, acting under authority delegated by the Board, hereby orders that public meetings on the Capital One/ING proposal be held in Washington, DC; Chicago, Illinois; and San Francisco, California.

Purpose and Procedures

The purpose of the public meetings is to collect information relating to the factors the Board is required to consider under the BHC Act. The Board is required to consider whether the notificant’s performance of the activities can reasonably be expected to produce benefits to the public (such as greater convenience, increased competition, and gains in efficiency) that outweigh possible adverse effects (such as undue concentration of resources, decreased or unfair competition, conflicts of interests, unsound banking practices, and risk to the stability of the United States banking or financial system). Consideration of the above factors includes an evaluation of the financial and managerial resources of the notificant, including its subsidiaries, and any company to be acquired; the effect of the proposed transaction on those resources; and the management expertise, internal control and risk-management systems, and capital of the entity conducting the activity. In acting on a notice to acquire a savings association, the Board also reviews the records of performance of the insured depository institutions involved in the proposal under the Community Reinvestment Act, which requires the Board to take into account a relevant institution’s record of meeting the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the institution,

in evaluating such an acquisition proposal. 12 U.S.C. 2903.

Procedures for Meeting

Testimony at the public meetings will be presented to a panel consisting of a Presiding Officer and other panel members appointed by the Presiding Officer. The Presiding Officer will have the authority and discretion to ensure that the meetings proceed in a fair and orderly manner. In contrast to a formal administrative hearing, the rules for taking evidence in an administrative proceeding will not apply to the public meetings. Panel members may question witnesses, but no cross-examination of witnesses will be permitted. The public meetings will be transcribed, and the transcripts will be posted on the Board’s public Web site within several days after each meeting. Information regarding the procedures for obtaining a copy of the transcripts will be announced at the public meetings.

The Presiding Officer will prepare a schedule for persons wishing to testify from the requests received for each meeting and establish the order of presentation. To ensure an opportunity for all interested commenters to present their views, the Presiding Officer may limit the amount of time allotted to each presentation. Persons not listed on the schedule may be permitted to speak at the public meeting, if time permits, at the conclusion of the schedule of witnesses in the discretion of the Presiding Officer. Copies of testimony may, but need not, be filed with the Presiding Officer before a person’s presentation.
