Total Annualized Capital/Startup Costs: 0.

Total Annual Costs (Operating/Maintaining Systems or Purchasing Services): 0.

This request is for clearance of the Annual Arts Benchmarking Survey (AABS) to be conducted by the U.S. Census Bureau as a supplement to the Bureau of Labor Statistic's Current Population Survey. The AABS would be conducted for the first time in February 2013, and annually thereafter in years that the National Endowment's Survey of Public Participation in the Arts (SPPA) is not conducted. One of the strengths of the AABS survey is that it will both complement and supplement the information collected in the SPPA. The SPPA is the field's premiere repeated cross-sectional survey of individual attendance and involvement in arts and cultural activity, and conducted approximately every five years. The AABS questionnaire will be much shorter than the SPPA, consisting of ten to twelve questions that will be used to track arts participation over time. As with the SPPA, the AABS data will be circulated to interested researchers and will be the basis for a range of NEA reports and independent research publications. The AABS will provide annual primary knowledge on the extent and nature of participation in the arts in the United States.
