MILLENNIUM CHALLENGE CORPORATION

[MCC FR 11-07]

Report on Countries That Are Candidates for Millennium Challenge Account Eligibility in Fiscal Year 2012 and Countries That Would Be Candidates but for Legal Prohibitions

AGENCY: Millennium Challenge Corporation.

ACTION: Notice.

SUMMARY: Section 608(d) of the Millennium Challenge Act of 2003 requires the Millennium Challenge Corporation to publish a report that identifies countries that are "candidate countries" for Millennium Challenge Account assistance during FY 2012. The report is set forth in full below.

Dated: September 1, 2011.

Melvin F. Williams, Jr.,

Vice President/General Counsel and Corporate Secretary, Millennium Challenge Corporation.

Report on Countries That Are Candidates for Millennium Challenge Account Eligibility for Fiscal Year 2012 and Countries That Would Be Candidates but for Legal Prohibitions**Summary**

This report to Congress is provided in accordance with section 608(a) of the Millennium Challenge Act of 2003, as amended, 22 U.S.C. 7701, 7707(a) (the "Act").

The Act authorizes the provision of Millennium Challenge Account (MCA) assistance for countries that enter into a Millennium Challenge Compact with the United States to support policies and programs that advance the progress of such countries to achieve lasting economic growth and poverty

reduction. The Act requires the Millennium Challenge Corporation (MCC) to take a number of steps in selecting countries with which MCC will seek to enter into a compact, including (a) determining the countries that will be eligible for MCA assistance for fiscal year 2012 (FY12) based on a country's demonstrated commitment to (i) just and democratic governance, (ii) economic freedom, and (iii) investments in its people; and (b) considering the opportunity to reduce poverty and generate economic growth in the country. These steps include the submission of reports to the congressional committees specified in the Act and the publication of notices in the **Federal Register** that identify:

The countries that are "candidate countries" for MCA assistance for FY12 based on per capita income levels and eligibility to receive assistance under U.S. law, and countries that would be candidate countries but for specified legal prohibitions on assistance (section 608(a) of the Act);

The criteria and methodology that the MCC Board of Directors (Board) will use to measure and evaluate the relative policy performance of the "candidate countries" consistent with the requirements of subsections (a) and (b) of section 607 of the Act in order to determine "MCA eligible countries" from among the "candidate countries" (section 608(b) of the Act); and

The list of countries determined by the Board to be "MCA eligible countries" for FY12, identification of such countries with which the Board will seek to enter into compacts, and a justification for such eligibility determination and selection for compact negotiation (section 608(d) of the Act).

This report is the first of three required reports listed above.

Candidate Countries for FY12

The Act requires the identification of all countries that are candidates for MCA assistance for FY12 and the identification of all countries that would be candidate countries but for specified legal prohibitions on assistance. Sections 606(a) and (b) of the Act provide that for FY12 a country shall be a candidate for the MCA if it:

Meets one of the following two income tests:

Has a per capita income equal to or less than the historical ceiling of the International Development Association eligibility for the fiscal year involved (or \$1,915 gross national income (GNI) per capita for FY12) (the "low income category"); or

Is classified as a lower middle income country in the then most recent edition

of the World Development Report for Reconstruction and Development published by the International Bank for Reconstruction and Development and has an income greater than the historical ceiling for International Development Association eligibility for the fiscal year involved (or \$1,916 to \$3,975 GNI per capita for FY12) (the "lower middle income category"); and

Is not ineligible to receive U.S. economic assistance under part I of the Foreign Assistance Act of 1961, as amended, (the "Foreign Assistance Act"), by reason of the application of the Foreign Assistance Act or any other provision of law.

Pursuant to section 606(c) of the Act, the Board has identified the following countries as candidate countries under the Act for FY12. In so doing, the Board has anticipated that prohibitions against assistance as applied to countries in the Department of State, Foreign Operations, and Related Programs Appropriations Act, 2010 (Div. F, Pub. L. 111-117) (the "FY 2010 SFOAA"), will again apply for FY12, even though the Department of State, Foreign Operations, and Related Programs Appropriations Act for FY12 has not yet been enacted and certain findings under other statutes have not yet been made. As noted below, MCC will provide any required updates on subsequent changes in applicable legislation or other circumstances that affect the status of any country as a candidate country for FY12. All section references identified as prohibitions on assistance to a given country are taken from the FY 2010 SFOAA as carried over by the Full-Year Continuing Appropriations Act, 2011 (Div. B, Pub. L. 112-10) unless another statute is identified.

Candidate Countries: Low Income Category

Afghanistan, Bangladesh, Benin, Bolivia, Burkina Faso, Burundi, Cambodia, Cameroon, Chad, Comoros, Cote D'Ivoire, Djibouti, Ethiopia, Gambia, The; Ghana, Guinea, Haiti, Honduras, India, Kenya, Kyrgyz Republic, Lao PDR, Lesotho, Liberia, Malawi, Mali, Moldova, Mongolia, Mozambique, Nepal, Nicaragua, Niger, Nigeria, Pakistan, Rwanda, Sao Tome and Principe, Senegal, Sierra Leone, Solomon Islands, Somalia, Tajikistan, Tanzania, Timor-Leste, Togo, Uganda, Vietnam, Zambia

Countries That Would Be Candidate Countries but for Legal Prohibitions That Prohibit Assistance

Countries that would be considered candidate countries for FY12, but are ineligible to receive United States economic assistance under part I of the Foreign Assistance Act by reason of the application of any provision of the Foreign Assistance Act or any other provision of law are listed below. As noted above, this list is based on legal prohibitions against economic assistance that apply for fiscal year 2011 and that are anticipated to apply again for FY12.

Prohibited Countries: Low Income Category

Burma is subject to numerous restrictions, including but not limited to section 570 of the FY 1997 Foreign Operations, Export Financing, and Related Programs Appropriations Act (Pub. L. 104-208), which prohibits assistance to the government of Burma until it makes progress on improving human rights and implementing democratic government, and due to its status as a major drug-transit or major illicit drug producing country for 2009 (Presidential Determination No. 2009-30 (9/15/2009)).

Central African Republic was ranked a Tier III country in the 2010 Trafficking in Persons Report and, subject to a forthcoming Presidential determination, will be subject to restrictions as of October 1, unless the President determines the government has subsequently come into compliance with trafficking in persons requirements or that continuation of assistance is in the national interest.

Uzbekistan's central government is subject to section 7076(a) of the FY 2009 SFOAA, which is largely incorporated by reference and carried forward by section 7075 of the FY 2010 SFOAA. This restriction states that funds (other than expanded international military education and training funds) may be made available for assistance to the central government of Uzbekistan only if the Secretary of State determines and reports to the Congress that the government is making substantial and

continuing progress in meeting its commitments under a framework agreement with the United States.

Yemen was ranked a Tier III country in the 2010 Trafficking in Persons Report and, subject to a forthcoming Presidential determination, will be subject to restrictions as of October 1, unless the President determines the government has subsequently come into compliance with trafficking in persons requirements or that continuation of assistance is in the national interest.

Zimbabwe is subject to several restrictions, including section 7070(i)(2) of the FY 2010 SFOAA which prohibits assistance (except for macroeconomic growth assistance) to the central government of Zimbabwe, unless the Secretary of State determines and reports to Congress that the rule of law has been restored in Zimbabwe.

The countries identified above as candidate countries, as well as countries that would be considered candidate countries but for the applicability of legal provisions that prohibit U.S. economic assistance, may be the subject of future statutory restrictions or determinations, or changed country circumstances, that affect their legal

eligibility for assistance under part I of the Foreign Assistance Act by reason of application of the Foreign Assistance Act or any other provision of law for FY12. MCC will include any required updates on such statutory eligibility that affect countries' identification as candidate countries for FY12, at such time as it publishes the notices required by sections 608(b) and 608(d) of the Act or at other appropriate times. Any such updates with regard to the eligibility or ineligibility of particular countries identified in this report will not affect the date on which the Board is authorized to determine eligible countries from among candidate countries which, in accordance with section 608(a) of the Act, shall be no sooner than 90 days from the date of publication of this report.
