FOR FURTHER INFORMATION CONTACT: Maria E. Arnold, Office of the Secretary, Office of Youth in the Great Outdoors, Department of the Interior, 1849 C Street, NW., MS 3559-MIB, Washington, DC 20240; E-mail: maria_arnold@ios.doi.gov, 202-219-1664.

SUPPLEMENTARY INFORMATION:

Title: Programmatic Approval for Office of Youth in the Great Outdoors (YouthGo)-Sponsored Public Surveys.

Bureau Form Number: None.

OMB Number: 1093-new.

Type of Request: New information collection clearance.

Description of Need: The Office of Youth in the Great Outdoors needs information on youth employment and education programs provided through the Department of the Interior's (DOI's) partnership organizations. The purpose of these information collections is to measure performance of DOI's youth programs. The proposed information collection covers all of the organizational units and bureaus in DOI running youth employment and education programs through partnership organizations. Partnership organizations will voluntarily obtain information from youth program participants. Since many of the YouthGo information collections ask similar questions to similar populations, YouthGo is requesting clearance from OMB for a program of review for focus groups, interviews, youth program observations, and pre-post youth program surveys.

The information collections will address three goals to determine DOI youth program effectiveness:

- (1) Building civic engagement and leadership skills.
- (2) Enhancing career preparedness and workforce readiness.
- (3) Developing environmental stewardship and the next generation of conservationists.

By conducting focus groups, interviews, identical pre-post youth program surveys, and youth program observations, these programs, run both directly by DOI and through DOI partner organizations, will seek feedback on how well they are meeting the three youth program goals. Any individual information collection may collect information on one, two, or all of the three topic areas above. Information collections, as needed, will be submitted individually to OMB for expedited approval. Through the feedback obtained in these information collections, DOI and its partner organizations will be able to determine whether youth program objectives are being met and document the impacts of program participation.
