#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These preliminary results are issued and published in accordance with sections 751(a)(1), 751(a)(2)(B) and 777(i)(1) of the Act, 19 CFR 351.221(b)(4), and 19 CFR 351.214.

#### North American Free-Trade Agreement (NAFTA), Article 1904 Binational Panel Reviews

**AGENCY:** NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Decision of Panel.

**SUMMARY:** On August 19, 2011, the binational panel issued its decision in the review of the final results of the 2004/2005 antidumping administrative review made by the U.S. Department of Commerce, respecting Stainless Steel Sheet and Strip in Coils from Mexico, NAFTA Secretariat File Number USA-MEX-2007-1904-01. The binational panel affirmed in part and remanded in part the Commerce's determination. Copies of the panel decision are available from the U.S. Section of the NAFTA Secretariat.

**FOR FURTHER INFORMATION CONTACT:**

Ellen M. Bohon, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

**SUPPLEMENTARY INFORMATION:** Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter has been conducted in accordance with these Rules.
