

make magnesium-based reagent mixtures, including lime, calcium metal, calcium silicon, calcium carbide, calcium carbonate, carbon, slag coagulants, fluorspar, nepheline syenite, feldspar, alumina (Al₂O₃), calcium aluminate, soda ash, hydrocarbons, graphite, coke, silicon, rare earth metals/mischmetal, cryolite, silica/fly ash, magnesium oxide, periclase, ferroalloys, dolomite lime, and colemanite.¹¹

The merchandise subject to this order is classifiable under items 8104.19.00, and 8104.30.00 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS items are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Rescission of the Administrative Review

Based upon the certifications and the evidence on the record, the Department finds TMI's claim of no shipments of subject merchandise to the United States during the POR to be substantiated. Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review, in whole or with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise. Therefore, the Department is rescinding this review in accordance with 19 CFR 351.213(d)(3). The Department intends to instruct CBP fifteen days after the publication of this notice to liquidate such entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2).

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213(d)(4).

¹¹ This third exclusion for magnesium-based reagent mixtures is based on the exclusion for reagent mixtures in the 2000–2001 investigations of magnesium from China, Israel, and Russia. See *Final Determination of Sales at Less Than Fair Value: Pure Magnesium in Granular Form From the People's Republic of China*, 66 FR 49345 (September 27, 2001); *Final Determination of Sales at Less Than Fair Value: Pure Magnesium From Israel*, 66 FR 49349 (September 27, 2001); *Final Determination of Sales at Not Less Than Fair Value: Pure Magnesium From the Russian Federation*, 66 FR 49347 (September 27, 2001). These mixtures are not magnesium alloys, because they are not combined in liquid form and cast into the same ingot.

Dated: September 6, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

BILLING CODE 3510–DS–P

DEPARTMENT OF COMMERCE

National Oceanic And Atmospheric Administration

Coastal Zone Management Program: Illinois

AGENCY: Office of Ocean and Coastal Resource Management (OCRM), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Notice of public hearing; request for public comments.

SUMMARY: This notice provides information on a public hearing to be held by NOAA and the Illinois Department of Natural Resources (IDNR) in Chicago, Illinois. The hearing involves the scope and content of a Draft Environmental Impact Statement (DEIS) prepared by NOAA's Office of Ocean and Coastal Resource Management. The DEIS assesses the environmental impacts associated with approval of the Illinois Coastal Management Program (ICMP). This notice also announces the opening of the public comment period on the DEIS. **DATES:** The agency must receive comments on or before October 31, 2011.

ADDRESSES:

- *Public Hearing:* The public hearing will be held October 14, 2011, starting at 1 p.m. CST, at the James R. Thompson Center, 100 W. Randolph Street, Room 9–040, Chicago, Illinois 60601
- *Written Comments:* You may submit written comments concerning the DEIS by any one of the following methods:
 - *In Person:* During the public hearing in Chicago, Illinois; or
 - *Mail:* Diana Olinger, Coastal Program Specialist, OCRM/CPD, N/ORM3, Station 11204, 1305 East-West Highway, Silver Spring, MD 20910.

Instructions: OCRM encourages all interested parties to provide comments concerning the DEIS either orally at the public hearing, or in writing during the comment period, or both. Comments should be as specific as possible and include an analysis of the potential alternatives. This comment procedure is intended to ensure that substantive comments and concerns are made

available to OCRM in a timely manner so that they may be addressed.

FOR FURTHER INFORMATION CONTACT:

Diana Olinger, Coastal Program Specialist, National Oceanic and Atmospheric Administration, OCRM/CPD, N/ORM3, Station 11204, 1305 East-West Highway, Silver Spring, MD 20910, telephone (301) 563–1149, facsimile (301) 713–4367, e-mail Diana.Olinger@noaa.gov.

SUPPLEMENTARY INFORMATION: Illinois has submitted a coastal management program to NOAA for approval under the Coastal Zone Management Act (CZMA), 16 U.S.C. 1451, *et. seq.* The ICMP is the result of substantial efforts on the part of Federal, State, and local agencies, regional organizations, and public and private entities. Federal approval of the ICMP would make Illinois eligible for program administration grant funds and require Federal actions to be consistent with the federally-approved program.

Upon finding that a state program has satisfied the requirements of the CZMA, NOAA is required to prepare a DEIS. The Council on Environmental Quality regulations to implement the National Environmental Policy Act (NEPA), 40 CFR parts 1500–1508, apply to the preparation of the DEIS. Specifically, section 1506.6 requires agencies to provide public notice of NEPA-related hearings and the availability of environmental documents. This notice is part of NOAA's effort to comply with those regulations.

Copies of the DEIS are available by any one of the following methods:

- Contact Diana Olinger, NOAA Coastal Program Specialist, at the address indicated above;
- OCRM's Web site: <http://coastalmanagement.noaa.gov/mystate/il.html>; or
- Illinois Department of Natural Resource's Web site: <http://www.dnr.illinois.gov/cmp/Pages/documentation.aspx>.

Dated: September 9, 2011.

Donna Wieting,

Director, Office of Ocean and Coastal Resource Management.
