Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Statewide, Longitudinal Data Systems program awards grants to State educational

agencies (SEAs) to design, develop, and implement statewide, longitudinal data systems to efficiently and accurately manage, analyze, disaggregate, and use individual student data. The Department's long-term goal in operating the program is to help all States create comprehensive P-20W (early learning through workforce) systems that foster the generation and use of accurate and timely data, support analysis and informed decision-making at all levels of the education system, increase the efficiency with which data may be analyzed to support the continuous improvement of education services and outcomes, facilitate research to improve student academic achievement and close achievement gaps, support education accountability systems, and simplify the processes used by SEAs to make education data transparent through Federal and public reporting.

Priorities

SEAs may apply for grants under one of three priorities:

- (1) To design, develop, and implement statewide, longitudinal kindergarten through grade 12 (K-12) data systems;
- (2) To develop and link early childhood data to the State's K-12 data system; or
- (3) To develop and link postsecondary and/or workforce data to the State's K-12 data system.

Grants will not be made available to support ongoing maintenance of data systems.

An SEA may submit only one application under this competition.

Program Authority: 20 U.S.C. 9607.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 77, 80, 81, 82, 84, 85, 97, 98, and 99. In addition, the regulations in 34 CFR part 75 are applicable, except for the provisions in 34 CFR 75.100, 75.101(b), 75.102, 75.103, 75.105, 75.109(a), 75.200, 75.201, 75.209, 75.210, 75.211, 75.217(a)-(c), 75.219, 75.220, 75.221, 75.222, and 75.230.

II. Award Information

Type of Award: Cooperative agreements.

Estimated Available Funds: The Administration has requested \$100,000,000 for this program in FY 2012. Although Congress has not enacted a final appropriation for FY 2012, the Institute of Education Sciences (Institute or IES) is inviting applications for this competition now so that it may be prepared to make awards following final action on the

Department's appropriations bill. The actual award of grants will depend on the availability of funds.

Estimated Average Size of Awards: \$1,000,000 to \$5,000,000 for the entire project period.

Maximum Award: We will reject any application that proposes a budget exceeding the following amounts for a project period of 36 months:

For grants to design, develop, and implement a K-12 statewide, longitudinal data system (Priority 1), \$5,000,000.

For grants to develop and link early childhood data to the State's K-12 data system (Priority 2) or to develop and link postsecondary and/or workforce data to the State's K-12 data system (Priority 3), \$4,000,000.

The Director of the Institute may change the maximum amount through a notice published in the **Federal Register**.

Estimated Number of Awards: The number of awards made under this competition will depend upon the quality of the applications received and the level of funding available.

Note: The Department is not bound by any estimates in this notice.

Project Period: Three years.

III. Eligibility Information

1. *Eligible Applicants:* Eligible applicants are limited to SEAs. An SEA is the agency primarily responsible for the State supervision of elementary schools and secondary schools. See 20 U.S.C. 9601 (which incorporates by reference the definition of SEA set out in section 9101 of the Elementary and Secondary Education Act of 1965, as amended (ESEA), 20 U.S.C. 7801). The SEAs of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands are eligible.

SEAs that received SLDS grants in June 2010 from funds appropriated under the American Recovery and Reinvestment Act of 2009 (ARRA) will not be considered for 2012 SLDS grants under this competition. Their ARRA SLDS grants, awarded in FY 2010, will still be underway when the 2012 grants are awarded.

2. a. *Cost Sharing or Matching:* This competition does not require cost sharing or matching.

b. *Supplement-Not-Supplant:* A supplement-not-supplant requirement applies to this program. Funds made available under this grant program are to supplement, and not supplant, other State or local funds used for developing

or improving State data systems. The grants are expected to assist SEAs in their efforts to design, develop, and implement statewide, longitudinal data systems, but not to supplant State and local funds. That is, the Institute expects grant funding to augment existing State and local funds devoted to this effort.

IV. Application and Submission Information

1. *RFA and Other Information:* Information regarding program and application requirements for this competition will be contained in the IES RFA package, which will be available on September 15, 2011, at the following Web site: <http://ies.ed.gov/funding/>.

2. *Application Package:* The application package with forms and instructions for applying to this competition will be available no later than September 26, 2011, at <http://www.Grants.gov> (see section IV. 5. Other Submission Requirements of this notice).

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotope, or compact disc) by contacting the program contact person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice.

3. *Submission Dates and Times:* *Request for Applications (RFA) Available:* September 15, 2011.

Application Package Available: September 26, 2011.

Deadline for Transmittal of Applications: December 15, 2011.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 5. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other

4. *Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry:* To do business with the

- Department of Education, you must—
- Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);
 - Register both your DUNS number and TIN with the Central Contractor Registry (CCR), the Government's primary registrant database;
 - Provide your DUNS number and TIN on your application; and
 - Maintain an active CCR registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

In addition, if you are submitting your application via Grants.gov, you must (1) Be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: http://www.grants.gov/applicants/get_registered.jsp.

5. *Other Submission Requirements:*

Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Statewide, Longitudinal Data Systems competition, CFDA Number 84.372A, must be submitted electronically using the Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you

will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Statewide, Longitudinal Data Systems competition at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.372, not 84.372A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted, and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at <http://www.G5.gov>.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a .PDF (Portable Document) format only. If you upload a file type other than a .PDF or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues With the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your

application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax

your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Ellie McCutcheon, U.S. Department of Education, 555 New Jersey Avenue, NW., room 600e, Washington, DC 20208-5530. FAX: (202) 219-1466.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.

- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. *Submission of Paper Applications by Hand Delivery.*

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following

V. Application Review Information

1. *Selection Criteria:* Information regarding selection criteria and review procedures for this competition will be provided in the RFA package.

2. *Review and Selection Process:* We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. *Special Conditions:* Under 34 CFR 74.14 and 80.12, the Secretary may impose special conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 34 CFR parts 74 or 80, as applicable; has

not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* To evaluate the overall success of this program, the Institute will determine at the end of each grant whether the SEA has in operation a statewide, longitudinal data system that meets the conditions of the grant. Grantees will be expected to report in annual and final reports on the status of their development and implementation of these systems.

5. *Grant Administration:* Applicants should budget for a two-day meeting for project directors to be held in Washington, DC.
