## FEDERAL TRADE COMMISSION

### Agency Information Collection Activities; Proposed Collection; Comment Request; Extension

**AGENCY:** Federal Trade Commission (“Commission” or “FTC”).

**ACTION:** Notice.

**SUMMARY:** The information collection requirements described below will be submitted to the Office of Management and Budget (“OMB”) for review, as required by the Paperwork Reduction Act (“PRA”). The FTC is seeking public comments on its proposal to extend through December 31, 2014, the current PRA clearance for information collection requirements contained in the

Commission’s Business Opportunity Rule (“Rule”). The current clearance expires on December 31, 2011.

**DATES:** Comments must be submitted on or before November 25, 2011.

**ADDRESSES:** Interested parties may file a comment online or on paper, by following the instructions in the Request for Comment part of the **SUPPLEMENTARY INFORMATION** section below. Write “16 CFR Part 437: Paperwork Comment, FTC File No. P114408” on your comment, and file your comment online at <https://ftcpublish.commentworks.com/ftc/BusinessOptionRulePRA> by following the instructions on the web-based form. If you prefer to file your comment on paper, mail or deliver your comment to the following address: Federal Trade Commission, Office of the Secretary, Room H-113 (Annex J), 600 Pennsylvania Avenue, NW., Washington, DC 20580.

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information should be addressed to Christine M. Todaro (202) 326-3711, Division of Marketing Practices, Room 286, Bureau of Consumer Protection, Federal Trade Commission, 600 Pennsylvania Avenue, NW., Washington, DC 20580.

**SUPPLEMENTARY INFORMATION:** Under the PRA, 44 U.S.C. 3501-3521, Federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor. “Collection of information” means agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. 44 U.S.C. 3502(3); 5 CFR 1320.3(c). As required by section 3506(c)(2)(A) of the PRA, the FTC is providing this opportunity for public comment before requesting that OMB extend the existing clearance for the information collection requirements contained in the Business Opportunity Rule, 16 CFR part 437 (OMB Control Number 3084-0142).

The FTC invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection

techniques or other forms of information technology, e.g., permitting electronic submission of responses.

The Rule is designed to ensure that prospective purchasers of a business opportunity receive information that will help them evaluate the opportunity that is presented to them. Part 437 was promulgated in March of 2007, concurrently with the amendment of the Franchise Rule. Part 437 mirrors the requirements and prohibitions of the original Franchise Rule, and imposes no additional disclosure or recordkeeping obligations or prohibitions.<sup>1</sup> The Rule requires business opportunity sellers to furnish to prospective purchasers a disclosure document that provides information relating to the seller, the seller’s business, the nature of the proposed business opportunity, as well as additional information regarding any claims about actual or potential sales, income, or profits for a prospective business opportunity purchaser. The seller must also preserve information that forms a reasonable basis for such claims. These requirements are subject to the PRA.

*Estimated annual hours burden:* 16,750 hours.

Based on a review of trade publications and information from state regulatory authorities, staff believes that, on average, from year to year, there are approximately 2,500 business opportunity sellers, with perhaps about 10% of that total reflecting an equal amount of new and departing business entrants.

The burden estimates for compliance will vary depending on the particular business opportunity seller’s prior experience with the original Franchise Rule. Staff estimates that 250 or so new business opportunity sellers will enter the market each year, requiring approximately 30 hours each to develop a Rule-compliant disclosure document. Thus, staff estimates that the cumulative annual disclosure burden for new business opportunity sellers will be approximately 7,500 hours. Staff further estimates that the remaining 2,250

<sup>1</sup> In March of 2008, the Commission published the Business Opportunity Rule Revised Notice of Proposed Rulemaking, 73 FR 16110 (March 26, 2008) (“Notice”). The Notice proposed amending the Business Opportunity Rule substantially, and would, among other things, reduce the number of required disclosures by sellers of business opportunities to prospective purchasers. Conversely, the Notice proposed amending the rule to expand the coverage of entities required to make disclosures to include a broader array of business opportunities than those covered by the original Franchise Rule. For now, however, only those businesses opportunities covered by the original Franchise Rule—such as vending machine and rack display opportunities—remain covered under part 437.
