Rule 80301—End—No change

II. Self-Regulatory Organization’s Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

CME offers clearing services for certain credit default swap index products. Currently, CME offers clearing of the Markit CDX North American Investment Grade Index Series 10, 11, 12, 13, 14, 15, 16 and 17. The proposed rule changes that are the subject of this filing are intended to expand CME’s Markit Investment Grade Index product offering by incorporating one additional series for the existing products. More specifically, the proposed rule changes would add the Markit CDX North American Investment Grade Index Series 9 (with 5, 7 and 10 year maturities).

In addition, the filing would amend certain typographical errors in CME Chapter 802 Rules: Appendix 1. The products are currently listed as “CDX North America Investment Grade” and the changes would correctly list them as “CDX North American Investment Grade”.

The proposed rule changes that are the subject of this filing will become

immediately effective.⁶ CME notes that it has also certified the proposed rule changes that are the subject of this filing to its primary regulator, the Commodity Futures Trading Commission (“CFTC”). The text of the CME proposed rule amendments is in Section I of this notice, with additions italicized and deletions in brackets.

The proposed CME rule amendments merely incorporate one additional series to CME’s existing offering of broad-based Markit Investment Grade index credit default swaps. As such, the proposed amendments simply effect changes to an existing service of a registered clearing agency that (1) Do not adversely affect the safeguarding of securities or funds in the custody or control of the clearing agency or for which it is responsible and (2) do not significantly affect the respective rights or obligations of the clearing agency or persons using its clearing agency services. Therefore, the proposed rule change is therefore properly filed under Section 19(b)(3)(A) and Rule 19b-4(f)(4)(i) thereunder.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact, or impose any burden, on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

⁶ The Commission notes that the rule change became effective upon filing with the Commission.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change was filed pursuant to Section 19(b)(3)(A) of the Act and paragraph (f)(4)(i) of Rule 19b-4 and became effective on filing. At any time within sixty days of the filing of such rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Electronic comments may be submitted by using the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>), or send an e-mail to rule-comments@sec.gov. Please include File No. SR-CME-2011-08 on the subject line.

- Paper comments should be sent in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CME-2011-08. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent

amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549 on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of CME. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly.

All submissions should refer to File Number SR-CME-2011-08 and should be submitted on or before November 2, 2011.

For the Commission by the Division of Trading and Markets, pursuant to delegated authority.⁷

Secretary.

China-Biotics, Inc.; Order of Suspension of Trading

October 7, 2011.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of China-Biotics, Inc. The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EDT, October 7, 2011 through 11:59 p.m. EDT, on October 20, 2011.

By the Commission.
