

\$20,000,000) of the aggregate production costs of any post-amendment production.

(iii) [Reserved]. For further guidance, see § 1.181-1(b)(1)(iii).

(2)(i) through (v) [Reserved]. For further guidance, see § 1.181-1(b)(2)(i) through (b)(2)(v).

(vi) *Allocation*. Solely for purposes of determining whether a production qualifies for the higher production cost limit (for pre-amendment productions) or deduction limit (for post-amendment productions) provided under this paragraph (b)(2), compensation to actors (as defined in § 1.181-3(f)(1)), directors, producers, and other relevant production personnel (as defined in § 1.181-3 (f)(2)) is allocated entirely to first-unit principal photography.

(c)(1) [Reserved]. For further guidance, see § 1.181-1(c)(1).

(2) *Post-amendment production*.

Amounts not allowable as a deduction under section 181 for a post-amendment production may be deducted under any other applicable provision of the Code.

■ **Par. 4.** Section 1.181-6T is added to read as follows:

§ 1.181-6T Effective/applicability dates (temporary).

(a) *In general*. (1) Except as provided in paragraph (b) of this section, § 1.181-1T applies to productions, the first day of principal photography for which occurs on or after October 18, 2011, and before the date of expiration of section 181 as provided in section 181(f). For an animated production, this paragraph (a) applies by substituting “in-between animation” in place of “principal photography.” Productions involving both animation and live-action photography may use either standard.

(2) The applicability of § 1.181-1T expires on October 17, 2014.

(b) *Application of temporary regulations to pre-effective date productions*. An owner may apply § 1.181-1T to productions, the first day of principal photography (or “in-between” animation) for which occurs after December 31, 2007, and before October 18, 2011, provided that the taxpayer applies all provisions in § 1.181-1T and in §§ 1.181-1 through 1.181-5 (other than provisions specific to pre-amendment productions) to the productions. If a taxpayer does not choose to apply § 1.181-1T to a production, the first day of principal photography (or “in-between” animation) for which occurs after December 31, 2007, and before October 18, 2011, then the taxpayer must use a reasonable method to take into account the statutory change to section 181 under section 502 of the Tax Extenders

and Alternative Minimum Tax Relief Act of 2008. See § 1.181-6.

Steven T. Miller,

Deputy Commissioner for Services and Enforcement.

Approved: September 19, 2011.

Emily S. McMahon,

Acting Assistant Secretary of the Treasury (Tax Policy).

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2011-0961]

RIN 1625-AA00

Safety Zone; Truman-Hobbs Alteration of the Elgin Joliet & Eastern Railroad Drawbridge, Morris, IL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the Illinois River near Morris, Illinois. This zone is intended to restrict vessels from a portion of the Illinois River due to the Truman-Hobbs alteration of the Elgin Joliet & Eastern Railroad Drawbridge. This temporary safety zone is necessary to protect the surrounding public and vessels from the hazards associated with the removal of the Elgin Joliet & Eastern Railroad Drawbridge’s old bridge piers and pier protection cells.

DATES: This rule is effective in the CFR on October 19, 2011 through 7 a.m. on November 16, 2011. This rule is effective with actual notice for purposes of enforcement beginning 7 a.m. on October 13, 2011. This rule will remain in effect until 7 a.m. on November 16, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2011-0961 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0961 in the “Keyword” box, and then clicking “search.” They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, contact or email BM1 Adam Kraft, U.S. Coast Guard Sector Lake Michigan, at 414-747-7148 or

Adam.D.Kraft@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when an agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under U.S.C. 553 (b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because waiting for a notice and comment period to run would be impracticable and contrary to the public interest in that it would prevent the Coast Guard from protecting the public and vessels on navigable waters from the hazards associated with the alteration of the Elgin Joliet & Eastern Railroad Drawbridge, as discussed in detail below.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. For the reasons discussed in the preceding paragraph and due to the Captain of the Port Sector Lake Michigan not receiving notice of the need for a safety zone, a 30-day notice period would be impracticable and contrary to the public interest.

Background and Purpose

The Truman-Hobbs alteration of the Elgin Joliet & Eastern Railroad Drawbridge, which consists of the removal of the bridges old piers and pier protection cells, will begin on October 13, 2011. This temporary safety zone is necessary to protect vessels from the hazards associated with those alteration efforts. The falling debris associated with the removal of the bridge’s piers and protection cells poses a serious risk of injury to persons and property. As such, the Captain of the Port, Sector Lake Michigan, has determined that the alteration project of the Elgin Joliet & Eastern Railroad Drawbridge poses significant risks to public safety and

property and that a safety zone is necessary.

Discussion of Rule

The safety zone will encompass all U.S. navigable waters of the Illinois River in the vicinity of the Elgin Joliet & Eastern Railroad Drawbridge between Mile Marker 270.1 and Mile Marker 271.5 of the Illinois River in Morris, IL. [DATUM: NAD 83].

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port, Sector Lake Michigan, or his or her designated representative. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sector Lake Michigan, or his or her designated representative. The Captain of the Port, Sector Lake Michigan, or his or her designated representative may be contacted via VHF Channel 16.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that Order. We conclude that this rule is not a significant regulatory action because we anticipate that it will have a minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone around the bridge project will be relatively small and exist for a relatively short duration. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule will have a significant economic impact on a substantial

number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule, if promulgated, will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor on a portion of the Illinois River between Mile Marker 270.1 and Mile Marker 271.5 at various times between 7 a.m. on October 13, 2011 and 7 a.m. on November 16, 2011.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This rule will only be enforced while unsafe conditions exist. Vessel traffic will be minimal due to the public and commercial outreach that has been made the by D8 Bridge Branch over the last several months.

In the event that this temporary safety zone affects shipping, commercial vessels may request permission from the Captain of The Port, Sector Lake Michigan, or his or her designated representative to transit through the safety zone. The Coast Guard will give notice to the public via a Broadcast to Mariners that the regulation is in effect.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have concluded this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2-1, paragraph (34)(g), of the Instruction. This rule involves the establishment of a safety zone and is therefore categorically excluded under paragraph 34(g) of the Instruction.

A final environmental analysis checklist and categorical exclusion determination are available in the docket where indicated under

ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T09-0961 to read as follows:

§ 165.T09-0961 Safety Zone; Truman-Hobbs alteration of the Elgin Joliet & Eastern Railroad Drawbridge, Morris, Illinois.

(a) *Location.* The safety zone will encompass all U.S. navigable waters of the Illinois River in the vicinity of the Elgin Joliet & Eastern Railroad Drawbridge between Mile Marker 270.1 and Mile Marker 271.5 of the Illinois River in Morris, IL. [DATUM: NAD 83].

(b) *Effective and Enforcement Period.* This rule is effective and will be enforced from 7 a.m. on October 13, 2011 until 7 a.m. on November 16, 2011. If the alteration project is completed before November 16, 2011, the Captain of the Port, Sector Lake Michigan, or his or her designated representative, may suspend the enforcement of this safety zone.

(c) *Regulations.*

(1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port, Sector Lake Michigan, or his or her designated representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port, Sector Lake Michigan, or his or her on-scene representative.

(3) The “designated representative” of the Captain of the Port, Sector Lake Michigan, is any Coast Guard commissioned, warrant, petty officer, or District 8 Bridge Branch Member who has been designated by the Captain of the Port, Sector Lake Michigan, to act on his or her behalf. The designated representative of the Captain of the Port, Sector Lake Michigan, will be on land in the vicinity of the safety zone and will have constant communications with the involved safety vessels that

will be provided by the contracting company, James McHugh Construction, and will have communications with a D8 Bridge Branch representative, who will be on scene as well.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port, Sector Lake Michigan, or his or her designated representative to obtain permission to do so. The Captain of the Port, Sector Lake Michigan, or his or her designated representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port, Sector Lake Michigan, or his or her designated representative.

Dated: October 5, 2011.

M.W. Sibley,

Captain, U.S. Coast Guard, Captain of the Port, Sector Lake Michigan.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2011-0848]

RIN 1625-AA00

Safety Zone; Mainardi/Kinsey Wedding Fireworks, Lake Erie, Lakewood, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in Lake Erie, Lakewood, OH for the Mainardi/Kinsey Wedding Fireworks. This temporary zone is intended to restrict vessels from a portion of Lake Erie during the Mainardi/Kinsey Wedding Fireworks on October 22, 2011. This temporary safety zone is necessary to protect spectators and vessels from the hazards associated with a firework display.

DATES: This rule is effective from 8:30 p.m. to 9:45 p.m. on October 22, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket USCG-2011-0848 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0848 in the “Keyword” box, and then clicking “Search.” This material is also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey
