SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for an extension of a current information collection.

Under the provisions of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*), the National Oceanic and Atmospheric Administration's National Marine

Fisheries Service (NMFS) is responsible for management of the Nation's marine fisheries. In addition, NMFS must comply with the United States' obligations under the Atlantic Tunas Convention Act of 1975 (16 U.S.C. 971 *et seq.*). NMFS issues permits to fishing vessels and dealers in order to collect the information necessary to comply with domestic and international obligations, secure compliance with regulations, and disseminate necessary information.

Current regulations at 50 CFR 635.4 require that vessels participating in commercial and recreational fisheries for Atlantic highly migratory species (HMS) and dealers purchasing Atlantic HMS from a vessel, obtain a Federal permit issued by NMFS. Current regulations at 50 CFR 300.182 require that individuals entering for consumption (importing into the Customs territory of the United States or the separate customs territory of a U.S. insular possession, for domestic use), exporting, or re-exporting consignments of bluefin tuna, southern bluefin tuna, swordfish, or frozen bigeye tuna obtain an HMS International Trade Permit (ITP) from NMFS. This action addresses the renewal of permit applications currently approved under information collection, including both vessel and dealer permits. Vessel permits include Atlantic tunas, HMS charter/headboats, HMS angling, swordfish (directed, incidental, and hand gear), sharks (directed and incidental), smoothhound sharks, and incidental HMS squid trawl permits. Dealer permits include swordfish, sharks, and Atlantic tunas dealer permits and the HMS ITP.

II. Method of Collection

Applications for Atlantic Tunas, HMS Angling, and HMS Charter/Headboat Vessel Permits may be submitted online at <http://www.hmspermits.gov>, mailed, or faxed. All other applications including dealer permits and other vessel permits must be mailed.
