District Ranger, Mystic Ranger District, Black Hills National Forest, 8221 South Highway 16, Rapid City, South Dakota 57702.

Nature of Decision To Be Made

The decision to be made is whether or not to implement the proposed action or possible alternative at this time.

Scoping Process

Comments and input regarding the proposal will be received via direct mailing from the public, other groups, and agencies during the initial public comment period in October and November 2011. If you would like to be more involved, a public meeting is scheduled for Thursday, November 3, 2011, from 7 p.m. to 9 p.m. at the Mystic Ranger District Office, Rapid City, South Dakota. Comments submitted based on this NOI will be most useful if received within 30-days from the date of this notice. Response to the draft EIS will be sought from the interested public beginning in February 2012.

Comment Requested

This notice of intent provides information that the agency will prepare an environmental impact statement in response to public comment and feedback during the October and November 2011, scoping period. Comments received will assist the planning team to develop the mailing list for the draft EIS and help identify key issues and opportunities used to refine the proposal or possible alternative and mitigation measures. Comments on the DEIS will be requested during the 45-day comment period following the Notice of Availability, expected to be published in the **Federal Register** in February 2012 (See discussion below).

Early Notice of Importance of Public Participation in Subsequent Environmental Review

The Forest Service believes, at this early stage, it is important to give reviewers notice of several court rulings related to public participation in the environmental review process. First, reviewers of draft environmental impact statements must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions. *Vermont Yankee Nuclear Power Corp. v. NRDC*, 435 U.S. 519, 553 (1978). Also, environmental objections that could be raised at the draft environmental impact statement stage but that are not raised until after completion of the final

environmental impact statement may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45-day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

Wooden Bedroom Furniture From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review and Intent To Rescind Review in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is conducting an administrative review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC"). The period of review ("POR") is January 1, 2010 through December 31, 2010. This administrative review covers multiple exporters of the subject merchandise.

Fourteen companies failed to provide separate rate information and, thus, did not demonstrate that they are entitled to a separate rate and have been treated as part of the PRC-wide entity. One company demonstrated that it is entitled to a separate rate. If these preliminary results are adopted in our final results of review, we will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries of subject merchandise during the POR.

We invite interested parties to comment on these preliminary results. Parties who submit comments are requested to submit with each argument a statement of the issue and a brief summary of the argument. We intend to issue the final results of this review no later than 120 days from the date of publication of this notice.

DATES: *Effective Date:* October 24, 2011.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen or Rebecca Pandolph, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2769 or (202) 482-3627, respectively.

(collectively, "Petitioners"), and the domestic interested parties, Kimball International, Inc., Kimball Furniture Group, Inc. and Kimball Hospitality Inc. (collectively, "Kimball"); Ashley Furniture; Butler Woodcrafters, Inc.; Acme Furniture Industry Inc., as well as a U.S. importer and certain foreign exporters requested that the Department conduct an administrative review. On February 28, 2011, the Department published in the **Federal Register** a notice initiating an antidumping duty administrative review of wooden bedroom furniture from the PRC covering 183 companies/company groupings and the period January 1, 2010 through December 31, 2010.³

Department limited the number of respondents selected for individual examination, it would select respondents based on export/shipment data provided in response to the Department's quantity and value ("Q&V") questionnaire. The Department further stated its intention to limit the number of Q&V questionnaires issued in the review based on CBP data for U.S. imports classified under the Harmonized Tariff Schedule of the United States ("HTSUS") headings identified in the scope of the antidumping duty order on wooden bedroom furniture from the PRC. The Department noted it intended to send Q&V questionnaires to the 21 companies for which a review was requested with the largest total values of subject merchandise imported into the United States during the POR according to CBP data. See Initiation Notice, 76 FR at 10881. The Initiation Notice also notified parties that they must timely submit separate rate applications or separate rate certifications in order to qualify for a separate rate. See Initiation Notice, 76 FR at 10881-82.

On February 23, 2011, the Department issued Q&V questionnaires to the 21 companies for which a review was requested with the largest shipments by value according to information gathered from CBP.⁴ These questionnaires requested that the companies report the Q&V of their POR exports and/or shipments of wooden bedroom furniture to the United States for the purpose of respondent selection. The Department received Q&V questionnaire responses from all of the 21 companies except
