Based upon the review of individual projects and the overall Water Power Program research portfolio, a report will be compiled by DOE, which will be publically posted on the DOE Wind and Water Power Program website.

Public Participation: Principal Investigators, expert reviewers, Water Power Program staff, and contract support staff will be in attendance. The event is open to the public based on space availability. Limited time for questions and answers are included for each project, however, oral questions from expert reviewers will be given priority.
