BILLING CODE 3510-FP-P

DEPARTMENT OF COMMERCE

International Trade Administration

[A-552-802]

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Extension of Time Limit for the Preliminary Results of the New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* November 1, 2011.

SUMMARY: The Department of Commerce (the "Department") has decided to extend the time limit for the preliminary results of the new shipper review ("NSR") of the antidumping duty order on certain frozen warmwater shrimp ("shrimp") from the Socialist Republic of Vietnam ("Vietnam") to December 9, 2011. The period of review ("POR") for this NSR is February 1, 2010, through January 31, 2011.

FOR FURTHER INFORMATION CONTACT: Susan Pulongbarit or Seth Isenberg, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4031 and (202) 482-0588, respectively.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on shrimp from Vietnam was published in the **Federal Register** on February 1, 2005.¹ On February 28, 2011, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the "Act"), and section 351.214(c) of the Department's regulations, the Department received a

¹ See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam*, 70 FR 5152 (February 1, 2005).

NSR request from Thong Thuan Company Limited and its subsidiary company, Thong Thuan Seafood Company Limited (collectively, "Thong Thuan"). Thong Thuan certified that it is a producer and exporter of the subject merchandise upon which the request was based. The notice initiating the NSR was published on March 23, 2011.² The Department extended the time limit for the preliminary results by 60 days on September 7, 2011.³ The preliminary results are currently due no later than October 9, 2011.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214(i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. *See also* 19 CFR 351.214(i)(2).

Extension of Time Limit of Preliminary Results

The Department determines that this new shipper review involves extraordinarily complicated methodological issues, including Thong Thuan's multiple production stages for subject merchandise and the need to evaluate the *bona fide* nature of Thong Thuan's sales. The Department finds that these extraordinarily complicated issues require additional time to evaluate. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the preliminary results by an additional 30 days, until no later than December 9, 2011. The final results continue to be due 90 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: October 26, 2011.

Christian Marsh,

Deputy Assistant Secretary of Antidumping and Countervailing Duty Operations.

[Docket Number 111027658-1659-01]

Request for Comments on NIST Special Publication 500-293, US Government Cloud Computing Technology Roadmap, Release 1.0 (Draft)

AGENCY: National Institute of Standards and Technology (NIST), Department of Commerce.

ACTION: Notice; request for comments.

SUMMARY: The National Institute of Standards and Technology (NIST) publishes this notice to seek public comments on the first draft of Special Publication 500-293, *US Government Cloud Computing Technology Roadmap, Release 1.0 (Draft)*. This document is intended to be the mechanism to define and communicate interoperability, portability, and security requirement priorities that must be met in terms of standards, guidance and technology for U.S. Government (USG) agencies to accelerate their adoption of cloud computing. The roadmap has been developed through a transparent working group process, which included five NIST Cloud Computing Working Groups that were established in November 2010.

DATES: Comments must be received on or before 5 p.m. Eastern time on December 2, 2011.

ADDRESSES: Written comments may be sent to: Robert Bohn, National Institute of Standards and Technology, 100 Bureau Dr., Stop 2000, Gaithersburg, MD 20899-2000. Electronic comments may be sent to:

ccroadmap.comments@nist.gov.

The report will be available at:

<http://www.nist.gov/itl/cloud/index.cfm>.

FOR FURTHER INFORMATION CONTACT:

Robert Bohn, National Institute of Standards and Technology, 100 Bureau Dr., Stop 2000, Gaithersburg, MD 20899-2000, telephone (301) 975-4731.

SUPPLEMENTARY INFORMATION: The National Institute of Standards and Technology (NIST) has a technology leadership role in support of a secure and effectively adopted Cloud Computing model¹ to reduce costs and improve services. This role is described

¹ NIST defines Cloud Computing as, "a model for enabling ubiquitous, convenient, on-demand network access to a shared pool of configurable computing resources (e.g., networks, servers, storage, applications, and services) that can be rapidly provisioned and released with minimal management effort or service provider interaction." Special Publication 800-145 (Draft).
