Letters of Authorization To Take Marine Mammals

AGENCY: Fish and Wildlife Service, Department of the Interior.

ACTION: Notice of issuance.

SUMMARY: In accordance with the Marine Mammal Protection Act of 1972, as amended (MMPA), we, the Fish and Wildlife Service, have issued letters of authorization for the nonlethal take of polar bears and Pacific walrus incidental to oil and gas industry exploration, development, and production activities in the Beaufort Sea and the adjacent northern coast of Alaska and incidental to oil and gas industry exploration activities in the Chukchi Sea and the adjacent western coast of Alaska.

FOR FURTHER INFORMATION CONTACT: Craig Perham at the Fish and Wildlife Service, Marine Mammals Management Office, 1011 East Tudor Road, Anchorage, AK 99503; (800) 362–5148 or (907) 786–3810.

SUPPLEMENTARY INFORMATION: On August 2, 2006, we published in the **Federal Register** a final rule (71 FR 43926) establishing regulations that allow us to authorize the nonlethal, incidental, unintentional take of small numbers of polar bears and Pacific walrus during year-round oil and gas industry exploration, development, and production activities in the Beaufort Sea and adjacent northern coast of Alaska. The rule established subpart J in part 18 of title 50 of the Code of Federal Regulations (CFR) and was effective until August 2, 2011. New regulations were issued on August 3, 2011 (76 FR 47010), effective through August 3, 2016. The rule prescribed a process under which we issue Letters of Authorization (LOAs) to applicants conducting activities as described under the provisions of the regulations. In accordance with section 101(a)(5)(A) of the MMPA (16 U.S.C. 1361 *et seq.*) and our regulations at 50 CFR 18, subpart J, we issued an LOA to each of the following companies in the Beaufort Sea and adjacent northern coast of Alaska:

Request for Information and Recommendations on Resolutions, Decisions, and Agenda Items for Consideration at the Sixteenth Regular Meeting of the Conference of the Parties to the Convention on International Trade in Endangered Species of Wild Fauna and Flora

AGENCY: Fish and Wildlife Service, Interior.
ACTION: Notice.

SUMMARY: To implement the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES or the Convention), the Parties to the Convention meet periodically to review what species in international trade should be regulated and other aspects of the implementation of CITES. The sixteenth regular meeting of the Conference of the Parties to CITES (CoP16) is tentatively scheduled to be held in March 2013 in Thailand. This is our second in a series of **Federal Register** notices that, together with an announced public meeting, provide you with an opportunity to participate in the development of the U.S. negotiating positions for CoP16. We published our first CoP16-related **Federal Register** notice on June 14, 2011, in which we requested information and recommendations on species proposals for the United States to consider submitting for consideration at CoP16. Further input from the public on species

proposals will be sought in a future notice. With this notice we are soliciting and invite you to provide us with information and recommendations on resolutions, decisions, and agenda items that the United States might consider submitting for discussion at CoP16. In addition, with this notice we provide preliminary information on how to request approved observer status for nongovernmental organizations that wish to attend the meeting.

DATES: We will consider all information and comments we receive on or before January 6, 2012.

ADDRESSES: You may submit comments pertaining to recommendations for resolutions, decisions, and agenda items for discussion at CoP16 by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments on Docket No. FWS-R9-IA-2011-0087.
- *U.S. mail or hand-delivery:* Public Comments Processing, *Attn:* FWS-R9-IA-2011-0087; Division of Policy and Directives Management; U.S. Fish and Wildlife Service; 4401 N. Fairfax Drive, MS 2042-PDM; Arlington, VA 22203.

We will not consider comments sent by email or fax or to an address not listed in the **ADDRESSES** section. We will post all comments on <http://www.regulations.gov>. This generally means that we will post any personal information you provide us. If you submit a comment via <http://www.regulations.gov>, your entire comment—including any personal identifying information—will be posted on the Web site. If you submit a hardcopy comment that includes personal identifying information, you may request at the top of your document that we withhold this information from public review. However, we cannot guarantee that we will be able to do so. We will post all hardcopy comments on <http://www.regulations.gov>.

Comments and materials we receive in response to this notice will be available for public inspection on <http://www.regulations.gov>, or by appointment, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays, at the U.S. Fish and Wildlife Service, Division of Management Authority, 4401 N. Fairfax Drive, Room 212, Arlington, VA 22203; telephone (703) 358-1908.

FOR FURTHER INFORMATION CONTACT: For information pertaining to resolutions, decisions, and agenda items contact: Robert R. Gabel, Chief, Division of Management Authority, U.S. Fish and Wildlife Service, 4401 N. Fairfax Drive, Room 212, Arlington, VA 22203; telephone (703) 358-2095; facsimile (703) 358-2298. If you use a telecommunications device for the deaf (TDD), call the Federal Information Relay Service (FIRS) at (800) 877-8339. For information pertaining to species proposals contact: Rosemarie Gnam, Chief, Division of Scientific Authority, phone (703) 358-1708, fax (703) 358-2276, email: scientificauthority@fws.gov.

SUPPLEMENTARY INFORMATION:

Background

The Convention on International Trade in Endangered Species of Wild Fauna and Flora, hereinafter referred to as CITES or the Convention, is an international treaty designed to regulate international trade in certain animal and plant species that are now, or potentially may become, threatened with extinction. These species are listed in the Appendices to CITES, which are available on the CITES Secretariat's Web site at <http://www.cites.org/eng/app/index.shtml>.

Currently, 175 countries, including the United States, are Parties to CITES. The Convention calls for regular biennial meetings of the Conference of the Parties, unless the Conference
