

Scope of the Order

The merchandise subject to the order is synthetic staple fibers, not carded, combed or otherwise processed for spinning, of polyesters measuring 3.3 decitex (3 denier, inclusive) or more in diameter. This merchandise is cut to lengths varying from one inch (25 mm) to five inches (127 mm). The subject merchandise may be coated, usually with a silicon or other finish, or not coated. Polyester staple fiber is generally used as stuffing in sleeping bags, mattresses, ski jackets, comforters, cushions, pillows, and furniture.

The following products are excluded from the scope of the order: (1) Polyester staple fiber of less than 3.3 decitex (less than 3 denier) currently classifiable in the Harmonized Tariff Schedule of the United States ("HTSUS") at subheading 5503.20.0025 and known to the industry as polyester staple fiber for spinning and generally used in woven and knit applications to produce textile and apparel products; (2) polyester staple fiber of 10 to 18 denier that are cut to lengths of 6 to 8 inches and that are generally used in the manufacture of carpeting; and (3) low-melt polyester staple fiber defined as a bi-component fiber with an outer, non-polyester sheath that melts at a significantly lower temperature than its inner polyester core (classified at HTSUS 5503.20.0015).

Certain polyester staple fiber is classifiable under the HTSUS subheadings 5503.20.0045 and 5503.20.0065. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise under the order is dispositive.

Revocation of Order, in Part

In the *Preliminary Results*, we preliminarily determined that Ningbo Dafa and Cixi Santai qualify for revocation from the antidumping duty order on certain polyester staple fiber from the PRC, and invited parties to comment. None were received. Accordingly, in accordance with 19 CFR 351.222(b)(2)(ii), we are revoking the order on certain polyester staple fiber from the PRC manufactured and exported by Ningbo Dafa or Cixi Santai to the United States.

Final Results of Review

The dumping margins for the POR are as follows:

Company	Antidumping duty margin (percent)
Ningbo Dafa Chemical Fiber Co., Ltd.	0.00
Cixi Santai Chemical Fiber Co., Ltd.	0.00
Hangzhou Sanxin Paper Co., Ltd.	4.44
Zhaoqing Tifo New Fiber Co., Ltd.	4.44
Huvis Sichuan Chemical Fiber Corporation	4.44
Zhejiang Waysun Chemical Fiber Co., Ltd.	4.44

Assessment

Upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific (or customer) *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. In accordance with 19 CFR 351.106(c)(2), we will instruct CBP to liquidate, without regard to antidumping duties, all entries of subject merchandise during the POR for which the importer-specific assessment rate is zero or *de minimis*.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate established in the final results of review (except, if the rate is zero or *de minimis*, i.e., less than 0.5 percent, a zero cash deposit rate will be required for that company); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 44.3 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit

rate will be the rate applicable to the PRC exporters that supplied that non-PRC exporter. The deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Victoria Cho at (202) 482-3797, AD/CVD Operations, Office 3, Import Administration, International Trade

Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

Background

On September 29, 2010, the U.S. Department of Commerce (Department) published a notice of initiation of the administrative review of the antidumping duty order on corrosion-resistant carbon steel flat products from Korea, covering the period August 1, 2009, to July 31, 2010. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 75 FR 60076 (September 29, 2010).

On September 6, 2011, the Department published the preliminary results of this review. *See Certain Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Preliminary Results of the Seventeenth Antidumping Duty Administrative Review*, 76 FR 55004 (September 6, 2011). The final results of this review are currently due no later than January 4, 2012.

Extension of Time Limit of the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of a review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. *See also* 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit because additional time is needed to gather and analyze a significant amount of information pertaining to the company requesting revocation. Also, given the number and complexity of issues in this case, the Department is fully extending the time limit for the final results. The final results are now due no later than March 4, 2012. As that day falls on a Sunday, the final results are due no later than March 5, 2012. *See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant of the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 3, 2011.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Artist Canvas From the People's Republic of China: Continuation of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty order on artist canvas from the People's Republic of China ("PRC") would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation of the antidumping duty order.

DATES: *Effective Date:* November 9, 2011.

FOR FURTHER INFORMATION CONTACT: Brooke Kennedy or Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; *telephone:* (202) 482-3818 or (202) 482-0414, respectively.

SUPPLEMENTARY INFORMATION: On May 2, 2011, the Department initiated the first sunset review of the antidumping duty order on artist canvas from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended ("Act"). *See Initiation of Five-Year ("Sunset") Review*, 76 FR 24459 (May 2, 2011) ("*Sunset Initiation*").

As a result of its review, the Department determined that revocation of the antidumping duty order on artist canvas from the PRC would likely lead to a continuation or recurrence of dumping and, therefore, notified the ITC of the magnitude of the margins likely to prevail should the order be revoked. *See Artist Canvas from the People's Republic of China: Final Results of the Expedited First Sunset Review of the Antidumping Duty Order*, 76 FR 55351 (September 7, 2011). On October 12, 2011, the ITC determined, pursuant to

section 751(c) of the Act, that revocation of the antidumping duty order on artist canvas from the PRC would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See* USITC Publication 4273 (October 2011), *Artist Canvas from China: Investigation No. 731-TA-1091 (First Review)*, and *Artist Canvas from China*, 76 FR 67208 (October 31, 2011).

Scope of the Order

The products covered by this order are artist canvases regardless of dimension and/or size, whether assembled or unassembled, that have been primed/coated, whether or not made from cotton, whether or not archival, whether bleached or unbleached, and whether or not containing an ink receptive top coat. Priming/coating includes the application of a solution, designed to promote the adherence of artist materials, such as paint or ink, to the fabric. Artist canvases (*i.e.*, pre-stretched canvases, canvas panels, canvas pads, canvas rolls (including bulk rolls that have been primed), printable canvases, floor cloths, and placemats) are tightly woven prepared painting and/or printing surfaces. Artist canvas and stretcher strips (whether or not made of wood and whether or not assembled) included within a kit or set are covered by this proceeding.

Artist canvases subject to this order are currently classifiable under subheadings 5901.90.20.00 and 5901.90.40.00 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Specifically excluded from the scope of this order are tracing cloths, "paint by number" or "paint-it-yourself" artist canvases with a copyrighted preprinted outline, pattern, or design, whether or not included in a painting set or kit.¹ Also excluded are stretcher strips, whether or not made from wood, so long as they are not incorporated into artist canvases or sold as part of an artist canvas kit or set. While the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

Additionally, we have determined that canvas woven and primed in the India, but cut, stretched and framed in the PRC and exported from the PRC, are not subject to the order covering artist canvas from the PRC.

¹ Artist canvases with a non-copyrighted preprinted outline, pattern, or design are included in the scope, whether or not included in a painting set or kit.
