**SUPPLEMENTARY INFORMATION:** *Title:* 30 CFR part 1218, Collection of Monies Due the Federal Government.

*OMB Control Number:* 1012-0008.

*Bureau Form Number:* Form ONRR-4425.

*Abstract:* The Secretary of the U.S. Department of the Interior is responsible for mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). The Secretary is required by various laws to manage mineral resource production from Federal and Indian lands and the OCS, collect the royalties and other mineral revenues due, and distribute the funds collected in accordance with applicable laws. The Secretary also has a trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. The ONRR performs the minerals revenue management functions for the Secretary and assists the Secretary in carrying out the Department's trust responsibility for Indian lands. Public laws pertaining to mineral leases on Federal and Indian lands are posted on our Web site at [http://www.onrr.gov/Laws\\_R\\_D/PublicLawsAMR.htm](http://www.onrr.gov/Laws_R_D/PublicLawsAMR.htm).

Minerals produced from Federal and Indian leases vary greatly in the nature of occurrence, production, and processing methods. When a company or an individual enters into a lease to explore, develop, produce, and dispose of minerals from Federal or Indian lands, that company or individual agrees to pay the lessor a share in an amount or value of production from the leased lands. The lessee is required to report various kinds of information to

the lessor relative to the disposition of the leased minerals. Such information is generally available within the records of the lessee or others involved in developing, transporting, processing, purchasing, or selling such minerals. The information collected includes data necessary to ensure that production is accurately valued and royalties are appropriately paid.

This ICR covers unique reporting circumstances including (1) cross-lease netting in calculation of late-payment interest; (2) designation of a designee; and (3) and tribal permission for recoupment on Indian oil and gas leases.

#### Cross-Lease Netting in Calculation of Late-Payment Interest

Regulations at 1218.54 require ONRR to assess interest on unpaid or underpaid amounts. The ONRR distributes these interest revenues to states, Indian tribes, and the U.S. Treasury, based on financial lease distribution information. Current regulations at 1218.42 provide that an overpayment on a lease or leases may be offset against an underpayment on a different lease or leases to determine the net payment subject to interest, when certain conditions are met. This is called cross-lease netting. However, sections 6(a), (b), and (c) of the Royalty Simplification and Fairness Act (RSFA) require ONRR to pay interest on lessees' Federal oil and gas overpayments made on or after February 13, 1997 (6 months after the August 13, 1996, enactment of RSFA). The ONRR implemented this RSFA provision in 1997 and began calculating interest on both underpayments and overpayments for Federal oil and gas leases, making the cross-lease netting provisions at 1218.42 no longer applicable for these leases. Lessees must comply with the provisions at 30 CFR 1218.42(b) and (c) for Indian tribal leases or Federal leases other than oil and gas. They must demonstrate that cross-lease netting is correct by submitting production reports, pipeline allocation reports, or other similar documentary evidence. This information is necessary for ONRR to determine the correct amount of interest the lessee owes and to ensure that we collect in full all monies owed the Federal Government.

#### Designation of Designee

Requirements of RSFA established that owners of, primarily, operating rights or, secondarily, lease record title (both referred to as "lessees") are responsible for making royalty and related payments on Federal oil and gas leases (see 30 CFR 1218.52). It is

common, however, for a payor rather than a lessee to make these payments. When a payor makes payments on behalf of a lessee, RSFA section 6(g) requires that the lessee designate the payor as its designee and notify ONRR of this arrangement in writing. We designed Form ONRR-4425, Designation Form for Royalty Payment Responsibility, to request all the information necessary for lessees to comply with these RSFA requirements when choosing to designate an agent to pay for them. We require this information to ensure proper mineral revenue collection.

**Tribal Permission for Recoupment on Indian Oil and Gas Leases**

In order to report cross-lease netting on Indian oil and gas leases, lessees must also comply with regulations at 30 CFR 1218.53(b), allowing only lessees with written permission from the tribe to recoup overpayments on one lease

against a different lease for which the tribe is the lessor. The payor must provide ONRR with a copy of the tribe’s written permission. Generally, a payor may recoup an overpayment against the current month’s royalties or other revenues owed on the same tribal lease. For any month, a payor may not recoup more than 50 percent of the royalties or other revenues owed in that month, under an individual allotted lease, or more than 100 percent of the royalties or other revenues owed in that month, under a tribal lease. Lessees report oil and gas lease recoupments on Form MMS-2014, Report of Sales and Royalty Remittance (which will be renumbered as Form ONRR-2014, as we update our forms and form numbers in the regulations). The burden hours are covered under ICR 1012-0004.

**OMB Approval**

We are requesting OMB’s approval to continue to collect this information. Not

collecting this information would limit the Secretary’s ability to discharge the duties of the office and may also result in loss of royalty payments. Proprietary information submitted is protected, and there are no questions of a sensitive nature included in this information collection.

*Estimated Number and Description of Respondents:* 1,630 Federal and Indian lessees.

*Estimated Annual Reporting and Recordkeeping “Hour” Burden:* 1,255 hours.

We have not included in our estimates certain requirements performed in the normal course of business and considered usual and customary. The following chart shows the estimated burden hours by CFR section and paragraph:

#### SUPPLEMENTARY INFORMATION:

*Title:* 30 CFR part 1243—Suspensions Pending Appeal and Bonding—Office of Natural Resources Revenue.

*OMB Control Number:* 1012–0006.  
*Bureau Form Numbers:* ONRR–4435, ONRR–4436, and ONRR–4437.

*Abstract:* The Secretary of the U.S. Department of the Interior is responsible for mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). The Secretary is required by various laws to manage mineral resource production from Federal and Indian lands and the OCS, collect the royalties and other mineral revenues due, and distribute the funds collected in accordance with applicable laws. The Secretary also has a trust responsibility to manage Indian lands and seek advice and information from Indian beneficiaries. Public laws pertaining to mineral leases on Federal and Indian lands are posted on our Web site at [http://www.onrr.gov/Laws\\_R\\_D/PublicLawsAMR.htm](http://www.onrr.gov/Laws_R_D/PublicLawsAMR.htm).

If ONRR determines that a lessee has not properly reported or paid, we may issue an order to pay additional royalties, a Notice of Noncompliance, or a Civil Penalty Notice requiring correct reporting or payment. Lessees then have a right to appeal those ONRR actions.

Regulations at 30 CFR part 1243 govern the submission of appropriate surety instruments to suspend compliance with orders or decisions and to stay the accrual of civil penalties (if the Office of Hearings and Appeals grants a lessee’s petition to stay accrual of civil penalties), pending administrative appeal for Federal and Indian leases. For Federal oil and gas leases, under 30 U.S.C. 1724(l) and its implementing regulations in 30 CFR part 1243, appellants who are requesting a suspension without providing a surety may submit information to demonstrate financial solvency. This ICR covers the burden hours associated with submitting financial statements or surety instruments required to stay an ONRR order, decision, or accrual of civil penalties.

#### Stay of Payment Pending Appeal

Title 30 CFR 1243.1 explains how lessees or recipients of ONRR orders may suspend compliance with an order if they appeal in accordance with 30 CFR part 1290. Pending appeal, ONRR
