II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes a new Rule 7056 entitled “NASDAQ Options Fee Disputes” to require all fee disputes to be submitted to the Exchange in writing³ and accompanied by supporting documentation within sixty days of receipt of an invoice. The sixty days would first apply to invoices related to transactional billing in January 2012 and would apply thereafter.⁴ The Exchange proposes to apply this new Rule 7056 to the fees in Rule 7050 entitled “NASDAQ Options Market” and Rule 7053 entitled “NASDAQ Options Market—Access Services” with the exception of the TradeInfo Fee. The Exchange believes that this practice will conserve Exchange resources which are expended when untimely billing disputes require staff to research applicable fees and order information beyond two months after the transaction occurred.

The Exchange believes that NOM Participants should be aware of any billing errors within two months of receiving an invoice. The Exchange provides NOM Participants with the ability to sign-up to receive certain daily reports.⁵ These reports allow NOM

³ The Exchange invoice specifies the Exchange contact persons with whom to dispute the invoice.

⁴ This proposal would not apply to invoices related to December 2011 billing.

⁵ These reports include, but are not limited to, daily traded against report and daily cancel fee reports.

Participants to view trade data and fees prior to receiving a billing invoice. In addition, NOM Participants have access to a password protected Web site, which provides NOM Participants an electronic copy of current and historical invoices, as well as the supporting details for assessed charges.⁶ NOM Participants have the ability to retrieve trade information from this Web site on a T +1 basis. The Exchange is excluding the TradeInfo Fee, which is billed separately to NOM Participants and is not included in the reports described herein.

In addition, the Exchange proposes to amend the title of Exchange Rule 7050 from “NASDAQ Options Market” to “NASDAQ Options Market—Fees.” The Exchange believes that the proposed title provides a more specific description of Rule 7050 and will assist NOM Participants in locating these fees within the Rules.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act⁸ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by providing a uniform practice for disputing fees.

The Exchange believes the requirement that all fee disputes, for certain specified fees, must be submitted to the Exchange within sixty days from receipt of the invoice will provide its members with guidance on disputing fees. The Exchange’s members are provided with ample tools to properly and timely monitor and account for various charges incurred in a given month. The proposal equally applies to all NOM Participants who have the ability to access the aforementioned reports. Also, the Exchange’s administrative costs would be lowered as a result of this policy.

The Exchange believes that the proposal to rename Rule 7050 from “NASDAQ Options Market” to “NASDAQ Options Market—Fees” will assist NOM Participants in locating those fees within the Rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
