**SUPPLEMENTARY INFORMATION:** It is DOT practice to identify a Privacy Act system of records that is exempt from one or more provisions of the Privacy Act (pursuant to 5 U.S.C. 552a(j) or (k)) both in the system notice published in the **Federal Register** for public comment and in an Appendix to DOT's regulations implementing the Privacy Act (49 CFR Part 10, Appendix A). This amendment proposes exemption from certain portions of the Privacy Act of a proposed record system—the Departmental Office of Civil Rights System of Records (DOCRS)—to be used to track correspondence, inquiries, complaints, and appeals filed by individuals, small businesses, or representatives of individuals or small businesses who believe they have been subjected to discrimination or retaliation prohibited by Federal law by a DOT employee, or by a DOT

Federally-assisted, or Federally-conducted program or activity.

To aid in the law enforcement aspects of DOCRS, DOT proposes to treat it as it treats other law enforcement systems, by exempting it from the following provisions of the Privacy Act: (c)(3) (Accounting of Certain Disclosures), (d) (Access to Records), (e)(4)(G), (H), and (I) (Agency Requirements), and (f) (Agency Rules) to the extent that DOCRS contains investigatory material compiled for law enforcement purposes, in accordance with 5 U.S.C. 552a(k)(2).

### Regulatory Analysis and Notices

#### A. Executive Order 12866 (Regulatory Planning and Review) and DOT Regulatory Policies and Procedures

This proposal is not a “significant regulatory action” within the meaning of Executive Order 12866. It is also not significant within the definition in DOT’s Regulatory Policies and Procedures, 49 FR 11034 (1979), in part because it does not involve any change in important Departmental policies. Because the economic impact should be minimal, further regulatory evaluation is not necessary. Moreover, I certify that this proposal would not have a significant economic impact on a substantial number of small entities, because the reporting requirements, themselves, are not changed and because it applies only to information on individuals that is maintained by the Federal Government.

This proposal would not significantly affect the environment, and therefore an environmental impact statement is not required under the National Environmental Policy Act of 1969. It has

also been reviewed under Executive Order 12612, Federalism, and it has been determined that it does not have sufficient implications for federalism to warrant preparation of a Federalism Assessment.

#### B. Executive Order 13084

This notice has been analyzed in accordance with the principles and criteria contained in Executive Order 13084 (“Consultation and Coordination with Indian Tribal Governments”). Because it has no effect on Indian Tribal Governments, the funding and consultation requirements of Executive Order 13084 do not apply.

#### C. Regulatory Flexibility Act

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) requires an agency to review regulations to assess their impact on small entities unless the agency determines that a rule is not expected to have a significant economic impact on a substantial number of small entities. I hereby certify that the rule proposed in this notice of proposed rulemaking will not have a significant economic impact on a substantial number of small entities.

#### D. Paperwork Reduction Act

This rule imposes no new information reporting or recordkeeping necessitating clearance by the Office of Management and Budget.

#### E. Unfunded Mandates Reform Act

The Department has determined that the requirements of Title II of the Unfunded Mandates Reform Act of 1995 do not apply to this notice.
