Uncovered Innerspring Units From the People's Republic of China: Second Extension of Final Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the "Department") is extending the time limit for the final results of the first new shipper review of uncovered innerspring units ("innersprings") from the People's Republic of China ("PRC"). The review covers the period of review ("POR") of February 1, 2010, through July 31, 2010.

DATES: *Effective Date:* November 29, 2011.

FOR FURTHER INFORMATION CONTACT: Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; *telephone:* (202) 482-0413.

Background

On August 4, 2011, the Department published in the *Federal Register* the *Preliminary Results* of the new shipper review of innersprings from the PRC.¹ On October 24, 2011, the Department extended the final results until November 22, 2011.² The respondent in this new shipper review is Foshan Nanhai Jiujiang Quan Li Spring Hardware Factory ("Quan Li").

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), and section 351.214(i)(1) of the Department's regulations, require the Department to issue the final results in a new shipper review 90 days after the date on which the preliminary results are issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated.³

² See *Uncovered Innerspring Units from the People's Republic of China: Extension of Final Results of Antidumping Duty New Shipper Review*, 76 FR 65695 (October 24, 2011).

³ See section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

Extension of Time Limit for Final Results of Review

We determine that this case is extraordinarily complicated because the Department requires additional time to analyze interested parties' case and rebuttal briefs concerning the *bona fide* nature of the sale under review. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act, and section 351.214(i)(2) of the Department's regulations, we are fully extending the time for the completion of the final results of this review until December 23, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: November 18, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

AGENCY: Import Administration, International Trade Administration, Department of Commerce

DATES: *Effective Date:* November 29, 2011

SUMMARY: The Department has conducted an expedited sunset review of the countervailing duty ("CVD") order on certain lined paper products ("lined paper") from Indonesia. SUPPLEMENTARY INFORMATION:**Background**

On August 1, 2011, the Department published the notice of initiation of the first sunset review of the CVD order on lined paper from Indonesia, pursuant to

section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-Year ("Sunset") Review*, 76 FR 45778 (August 1, 2011). The Department received a notice of intent to participate in this review from the Association of American School Paper Suppliers and its members (collectively, "Petitioners"), within the deadline specified in 19 CFR 351.218(d)(1)(i). Petitioners claimed interested party status for this review under section 771(9)(C) of the Act, as manufacturers of the domestic like product in the United States.

On August 31, 2011, the Department received a complete substantive response from Petitioners within the deadline specified in 19 CFR 351.218(d)(3)(i). We received no substantive responses from any respondent interested parties. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of the CVD order.

Scope of the Order

The scope of the order includes certain lined paper products, typically school supplies,¹ composed of or including paper that incorporates straight horizontal and/or vertical lines on ten or more paper sheets,² including but not limited to such products as single- and multi-subject notebooks, composition books, wireless notebooks, looseleaf or glued filler paper, graph paper, and laboratory notebooks, and with the smaller dimension of the paper measuring 6 inches to 15 inches (inclusive) and the larger dimension of the paper measuring 8¾ inches to 15 inches (inclusive). Page dimensions are measured size (not advertised, stated, or "tear-out" size), and are measured as they appear in the product (*i.e.*, stitched and folded pages in a notebook are measured by the size of the page as it appears in the notebook page, not the size of the unfolded paper). However, for measurement purposes, pages with tapered or rounded edges shall be measured at their longest and widest points. Subject lined paper products may be loose, packaged or bound using any binding method (other than case bound through the inclusion of binders board, a spine strip, and cover wrap). Subject merchandise may or may not contain any combination of a front cover, a rear cover, and/or backing of

¹ For purposes of this scope definition, the actual use of or labeling these products as school supplies or non-school supplies is not a defining characteristic.

² There shall be no minimum page requirement for looseleaf filler paper.
