SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Form N-PX, SEC File No. 270-524, OMB Control No. 3235-0582.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Form N-PX (17 CFR 274.129) under the Investment Company Act of 1940, Annual Report of Proxy Voting Record." Rule 30b1-4 (17 CFR 270.30b1-4) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) requires every registered management investment company, other than a small business investment company registered on Form N-5 ("Funds"), to file Form N-PX not later than August 31 of each year. Funds use Form N-PX to file annual reports with the Commission containing their complete proxy voting record for the most recent twelve-month period ended June 30.

The Commission estimates that there are approximately 2,500 Funds registered with the Commission, representing approximately 10,000 Fund portfolios, which are required to file Form N-PX.¹ The 10,000 portfolios

are comprised of 6,200 portfolios holding equity securities and 3,800 portfolios holding no equity securities. The staff estimates that portfolios holding no equity securities require approximately a 0.17 hour burden per response and those holding equity securities require 7.2 hours per response. The overall estimated annual burden is therefore approximately 45,300 hours ((6,200 responses × 7.2 hours per response for equity holding portfolios) + (3,800 responses × 0.17 hours per response for non-equity holding portfolios)). Based on the estimated wage rate, the total cost to the industry of the hour burden for complying with Form N-PX would be approximately \$14.5 million.

The Commission also estimates that portfolios holding equity securities will bear an external cost burden of \$1,000 per portfolio to prepare and update Form N-PX. Based on this estimate, the Commission estimates that the total annualized cost burden for Form N-PX is \$6.2 million (6,200 responses × \$1,000 per response = \$6,200,000).

The collection of information under Form N-PX is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site: <http://www.reginfo.gov>. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to:

Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312, or send an email to: *PRA_Mailbox@sec.gov*. Comments must be submitted to OMB within 30 days of this notice.

Company Institute and other sources, that there are approximately 5,700 Fund portfolios that invest primarily in equity securities, 500 "hybrid" or bond portfolios that may hold some equity securities, 3,200 bond Funds that hold no equity securities, and 600 money market Funds, for a total of 10,000 portfolios required to file Form N-PX.

Dated: November 29, 2011.

Kevin M. O'Neill,
Deputy Secretary.

Applicants' Representations

1. The Fund is organized as a Maryland corporation and is registered under the Act as an open-end management investment company. ¹ Every existing entity that currently intends to rely on the requested order is named as an applicant. Any existing or future entity that relies on the requested order will do so only in accordance with the terms and condition in the application.

request that the order exempt any entity controlling, controlled by or under common control with ABI that now or in the future acts as principal underwriter with respect to the transactions described in the application.

3. Consistent with its fiduciary obligations under the Act, each Applicant Fund's board of directors will review the advisory fees charged by the Applicant Fund's Adviser to ensure that they are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to the advisory agreement of any investment company in which the Applicant Fund may invest.

Applicants' Legal Analysis

1. Section 12(d)(1)(A) of the Act provides that no registered investment company ("acquiring company") may acquire securities of another investment company ("acquired company") if such securities represent more than 3% of the acquired company's outstanding voting stock or more than 5% of the acquiring company's total assets, or if such securities, together with the securities of other investment companies, represent more than 10% of the acquiring company's total assets. Section 12(d)(1)(B) of the Act provides that no registered open-end investment company may sell its securities to another investment company if the sale would cause the acquiring company to own more than 3% of the acquired company's voting stock, or cause more than 10% of the acquired company's voting stock to be owned by investment companies and companies controlled by them.

2. Section 12(d)(1)(G) of the Act provides, in part, that section 12(d)(1) will not apply to securities of an acquired company purchased by an acquiring company if: (i) The acquired company and acquiring company are part of the same group of investment companies; (ii) the acquiring company holds only securities of acquired companies that are part of the same group of investment companies, government securities, and short-term paper; (iii) the aggregate sales loads and distribution-related fees of the acquiring company and the acquired company are not excessive under rules adopted pursuant to section 22(b) or section 22(c) of the Act by a securities association registered under section 15A of the Exchange Act or by the Commission; and (iv) the acquired company has a policy that prohibits it from acquiring securities of registered open-end investment companies or registered unit investment trusts in

reliance on section 12(d)(1)(F) or (G) of the Act.

3. Rule 12d1-2 under the Act permits a registered open-end investment company or a registered unit investment trust that relies on section 12(d)(1)(G) of the Act to acquire, in addition to securities issued by another registered investment company in the same group of investment companies, government securities, and short-term paper: (i) Securities issued by an investment company that is not in the same group of investment companies, when the acquisition is in reliance on section 12(d)(1)(A) or 12(d)(1)(F) of the Act; (ii) securities (other than securities issued by an investment company); and (iii) securities issued by a money market fund, when the investment is in reliance on rule 12d1-1 under the Act. For the purposes of rule 12d1-2, "securities" means any security as defined in section 2(a)(36) of the Act.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction from any provision of the Act, or from any rule under the Act, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act.

5. Applicants state that the Applicant Funds will comply with rule 12d1-2 under the Act, but for the fact that the Applicant Funds may invest a portion of their assets in Other Investments. Applicants request an order under section 6(c) of the Act for an exemption from rule 12d1-2(a) to allow the Applicant Funds to invest in Other Investments while investing in Underlying Funds. Applicants assert that permitting the Applicant Funds to invest in Other Investments as described in the application would not raise any of the concerns that the requirements of section 12(d)(1) were designed to address.

Applicants' Condition

Applicants agree that the order granting the requested relief will be subject to the following condition:

Applicants will comply with all provisions of rule 12d1-2 under the Act, except for paragraph (a)(2) to the extent that it restricts any Applicant Fund from investing in Other Investments as described in the application.

For the Commission, by the Division of Investment Management, under delegated authority.

Kevin M. O'Neill,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-65841; File No. SR-PHLX-2011-140]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Order Approving Proposed Rule Change To Amend the By-Laws of The NASDAQ OMX Group, Inc.

November 28, 2011.

On October 11, 2011, NASDAQ OMX PHLX LLC ("Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend the by-laws of its parent corporation, The NASDAQ OMX Group, Inc. ("NASDAQ OMX"). The proposed rule change was published for comment in the **Federal Register** on October 28, 2011.³ The Commission received no comments on the proposal.

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of Section 6(b)(5) of the Act.⁵ The proposal will allow the NASDAQ OMX Board of Directors ("Board") to determine the size of its Audit Committee, so long as the Audit Committee includes at least three directors, as well as the size of its Nominating & Governance Committee, so long as the Nominating & Governance Committee includes at least two directors. The proposal is intended to provide greater flexibility to the NASDAQ OMX Board to determine the appropriate size for these committees. The Commission notes that the proposed rule change maintains compliance with the Exchange's listing standards. The proposal does not change any other compositional requirements of either the Audit Committee or the Nominating & Governance Committee, including independence requirements. Moreover, the Commission notes that the proposal does not alter the application of Section 10A of the Exchange Act⁶ and Rule

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 65605 (October 21, 2011), 76 FR 67015.

⁴ In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁵ 15 U.S.C. 78f(b)(5).

10A-3 thereunder⁷ to the NASDAQ OMX Audit Committee. The proposal also deletes an obsolete section from, and corrects a typographical error in, the NASDAQ OMX by-laws, which are clarifying revisions. For the foregoing reasons, the Commission believes that the proposed rule change is consistent with the Act.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-PHLX-2011-140) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹

Deputy Secretary.
