2 CFR Part 421

7 CFR Part 3021

RIN 0505AA14

Implementation of Office of Management and Budget Guidance on Drug-Free Workplace Requirements

AGENCY: Office of the Secretary, USDA.

ACTION: Direct final rule.

SUMMARY: The Department of Agriculture (USDA) is removing its regulation implementing the Governmentwide common rule on drug-free workplace requirements for financial assistance, currently located within part 3021 of Title 7 of the Code of Federal Regulations (CFR), and issuing a new regulation to adopt the Office of Management and Budget (OMB) guidance at 2 CFR part 182. This regulatory action implements OMB's initiative to streamline and consolidate into one title of the CFR all Federal regulations on drug-free workplace requirements for financial assistance. These changes constitute an administrative simplification that would make no substantive change in USDA's policy or procedures for drug-free workplace.

DATES: This direct final rule is effective on February 6, 2012 without further action. Submit comments by January 9, 2012 on any unintended changes this action makes in USDA's policies and procedures for drug-free workplace. All comments on unintended changes will be considered and, if warranted, USDA will publish a timely withdrawal of the rule in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

Background

On November 18, 1988, Congress enacted the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701, *et seq.*) as a part of omnibus drug legislation. Federal agencies issued an interim final common rule to implement the Act as it applied to grants (53 FR 4946, January 31, 1989). The rule was a subpart of the Governmentwide common rule on nonprocurement suspension and debarment. The agencies issued a final common rule after consideration of public comments (55 FR 21681, May 25, 1990).

The agencies proposed an update to the drug-free workplace common rule in 2002 (67 FR 3266, January 23, 2002) and finalized it in 2003 (68 FR 66534, November 26, 2003). The updated common rule was redrafted in plain language and adopted as a separate part, independent from the common rule on nonprocurement suspension and debarment. Based on an amendment to the drug-free workplace requirements in 41 U.S.C. 702 (Pub. L. 105-85, div. A, title VIII, Sec. 809, Nov. 18, 1997, 111 Stat. 1838), the update also allowed multiple enforcement options from

which agencies could select, rather than requiring use of a certification in all cases.

When it established Title 2 of the CFR as the new central location for OMB guidance and agency implementing regulations concerning grants and agreements (69 FR 26276, May 11, 2004), OMB announced its intention to replace common rules with OMB guidance that agencies could adopt in brief regulations. OMB began that process by proposing (70 FR 51863, August 31, 2005) and finalizing (71 FR 66431, November 15, 2006) Governmentwide guidance on nonprocurement suspension and debarment in 2 CFR part 180.

As the next step in that process, OMB proposed for comment (73 FR 55776, September 26, 2008) and finalized (74 FR 28149, June 15, 2009) Governmentwide guidance with policies and procedures to implement drug-free workplace requirements for financial assistance. The guidance requires each agency to replace the common rule on drug-free workplace requirements that the agency previously issued in its own CFR title with a brief regulation in 2 CFR adopting the Governmentwide policies and procedures. One advantage of this approach is that it reduces the total volume of drug-free workplace regulations. A second advantage is that it collocates OMB's guidance and all of the agencies' implementing regulations in 2 CFR.

The Current Regulatory Actions

As the OMB guidance requires, USDA is taking two regulatory actions. First, we are removing the drug-free workplace common rule from 7 CFR part 3021. Second, to replace the common rule, we are issuing a brief regulation in 2 CFR part 421 to adopt the Governmentwide policies and procedures in the OMB guidance.

Invitation To Comment

Taken together, these regulatory actions are solely an administrative simplification and are not intended to make any substantive change in policies or procedures. In soliciting comments on these actions, we therefore are not seeking to revisit substantive issues that were resolved during the development of the final common rule in 2003. We are inviting comments specifically on any unintended changes in substantive content that the new part in 2 CFR

would make relative to the common rule at 7 CFR part 3021.

Administrative Procedure Act

Under the Administrative Procedure Act (5 U.S.C. 553), agencies generally propose a regulation and offer interested parties the opportunity to comment before it becomes effective. However, as described in the “Background” section of this preamble, the policies and procedures in this regulation have been proposed for comment two times—one time by federal agencies as a common rule in 2002 and a second time by OMB as guidance in 2008—and adopted each time after resolution of the comments received.

This direct final rule is solely an administrative simplification that would make no substantive change in the USDA policy or procedures for drug-free workplace. We therefore believe that the rule is noncontroversial and do not expect to receive adverse comments, although we are inviting comments on any unintended substantive change this rule makes.

Accordingly, we find that the solicitation of public comments on this direct final rule is unnecessary and that “good cause” exists under 5 U.S.C. 553(b)(B) and 553(d) to make this rule effective on February 6, 2012 without further action, unless we receive adverse comment by January 9, 2012. If we receive any comment on unintended changes is received, we will consider it and, if warranted, we will publish a timely revision of the rule.

Federal Aviation Administration

14 CFR Part 91

Interference With a Crewmember via Laser

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Interpretation.

SUMMARY: On June 1, 2011, the Assistant Chief Counsel for Regulations, Federal Aviation Administration (“FAA”),

issued an interpretation of 14 CFR 91.11. Section 91.11 provides that “[n]o person may assault, threaten, intimidate, or interfere with a crewmember in the performance of the crewmember’s duties aboard an aircraft being operated.” The FAA is aware of an increasing number of incidents involving the use of lasers being directed toward aircraft operating on the ground or in the air. Such conduct has the potential to adversely affect safety by interfering with flight crewmembers in the performance of their duties. The FAA considers a situation in which a laser beam is aimed at an aircraft by a person on the ground or from any other location including from another aircraft so that it interferes with a crewmember in the performance of the crewmember’s duties as a violation of 14 CFR 91.11.

FOR FURTHER INFORMATION CONTACT:

Dean E. Griffith, Attorney, Regulations Division, Chief Counsel’s Office, AGC–220, Federal Aviation Administration, 800 Independence Avenue SW., Washington, DC; telephone: (202) 267–3073; email: dean.griffith@faa.gov.

SUPPLEMENTARY INFORMATION: The FAA published its June 1, 2011 interpretation of section 91.11 on its Web site, which is available to the public at: http://www.faa.gov/news/press_releases/news_story.cfm?newsId=12765. It is also available on the FAA’s Laser Incident Information and Reporting Web site: <http://www.faa.gov/go/laserinfo>. In addition, the FAA and the Department of Transportation have issued press releases with regard to publicizing the dangers of interfering with flight crew operations by using lasers directed at aircraft. With this notice published in the **Federal Register**, the FAA is again advising the public of the FAA’s June 1, 2011 interpretation of section 91.11 in an effort to increase awareness that: (1) Directing laser beams towards aircraft operating on the ground or in the air so that it interferes with a crewmember in the performance of the crewmember’s duties is a violation of section 91.11; and, (2) persons violating section 91.11 are subject to a substantial civil penalty.
