FOR FURTHER INFORMATION CONTACT: Tim Lord, Office 9, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; *telephone:* (202) 482-7425.

Background

On April 1, 2011, the Department of Commerce ("Department") published a notice of opportunity to request an administrative review on the antidumping order on certain steel

threaded rod from the People's Republic of China ("PRC") for the period of review ("POR") April 1, 2010, through March 31, 2011. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 76 FR 18153 (April 1, 2011). Based upon requests for review from various parties, on May 27, 2011, the Department initiated an antidumping duty administrative review on certain steel threaded rod from the PRC, covering 192 companies. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 76 FR 30912, 30916-18 (May 27, 2011). The preliminary results are currently due December 31, 2011.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the current time limits. The Department requires additional time to analyze questionnaire (including supplemental questionnaire) responses and surrogate country and value data. This additional time also takes into account analysis of data related to the margin calculation for the individually-reviewed respondent, and the consideration of any issues that may be raised by parties during the course of this proceeding. Therefore, the Department is hereby extending the time limit for completion of the preliminary results by 90 days. The preliminary results will now be due no later than March 30, 2012. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: December 6, 2011.

Background

On September 12, 2011, the Department of Commerce ("Department") published in the **Federal Register** its *Preliminary Results* of the antidumping duty order on certain steel nails ("steel nails") from the People's Republic of China ("PRC").¹ The period of review ("POR") is August 1, 2009, through July 31, 2010. The final results are currently due no later than January 10, 2012.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. Citric Acid and Certain Citrate Salts From the People's Republic of China: Final Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") has completed its administrative review of the countervailing duty ("CVD") order on citric acid and certain citrate salts from the People's Republic of China ("PRC") for the period September 19, 2008 through December 31, 2009. On June 8, 2011, we published the preliminary results of this review. See *Citric Acid and Certain Citrate Salts from the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review*, 76 FR 33219 (June 8, 2011) ("*Preliminary Results*"). We provided interested parties with an opportunity to comment on the preliminary results. Our analysis of the comments submitted as well as incorporation of our post-preliminary analyses led to a change in the net subsidy rates. The final net subsidy rates for RZBC Co., Ltd.; RZBC Import & Export Co., Ltd.; RZBC (Juxian) Co., Ltd.; and RZBC Group Co., Ltd. (collectively, "RZBC"), and Yixing-

Union Biochemical Co., Ltd. ("Yixing-Union") and Yixing-Union Cogeneration Co., Ltd. ("Cogeneration") (collectively, "Yixing") are listed below in the section entitled "Final Results of Review."

SUPPLEMENTARY INFORMATION:

Background

Following the *Preliminary Results*, on June 17, 2011, the Department requested clarification from Archer Daniels Midland Company; Cargill, Incorporated; and Tate & Lyle Americas (collectively, "Petitioners") regarding Petitioners' request for business proprietary treatment for certain alternative financial statements they had submitted on May 13 and May 19, 2011, which Petitioners reported as originating with the respondents. Petitioners provided the requested clarification on June 24, 2011.

On July 12, 2011, the Department asked Petitioners to grant respondents direct access to the alternative financial statements. The Department further stated that if Petitioners did not agree to this disclosure, it would return the submissions to Petitioners. On July 25, 2011, Petitioners refiled the May 13, and May 19, 2011 submissions without the alternative financial statements.

The Department issued additional supplemental questionnaires to the Government of the People's Republic of China ("GOC"), RZBC and Yixing in July through October 2011, and received timely responses from all three parties. However, the Department returned two GOC responses to the July 21, 2011 supplemental questionnaire because they contained unsolicited new factual information.

From August 29 through September 2, 2011, we conducted a verification of RZBC's questionnaire responses, and from September 5 through September 9, 2011, we conducted a verification of Yixing's questionnaire responses. The Department released its verification reports for RZBC and Yixing to interested parties on October 17, 2011.¹

In the *Preliminary Results*, we invited interested parties to submit briefs. We received case briefs from Yixing, RZBC, the GOC, and Petitioners on October 24, 2011. We received rebuttal briefs from Yixing and Petitioners on November 3, 2011. The Department also provided parties with the opportunity to submit separate comments and rebuttals with respect to the October 24, 2011 supplemental questionnaire response submitted by the GOC. The GOC provided comments on this later questionnaire response on October 31, 2011.
