SUPPLEMENTARY INFORMATION: The FCA published the Draft Second Restated MAA in the **Federal Register** on November 1, 2011 (76 FR 67440) with a request for public comment by December 1, 2011. No public comments were received on the Draft Second Restated MAA.

The Draft Second Restated MAA is an update to the Amended and Restated MAA that was approved by the FCA on April 10, 2003 and published in the **Federal Register** on April 21, 2003 (68 FR 19539). That 2003 agreement updated the original MAA approved by the FCA on August 17, 1994 and published in the **Federal Register** on August 23, 1994 (59 FR 4334).¹ The Amended and Restated MAA entered into in 2003 has a termination date of December 31, 2011. The Draft Second Restated MAA provides that it will go into effect on January 1, 2012, provided that certain conditions precedent have been satisfied, including FCA's approval of, and the Farm Credit System Insurance Corporation's (FCSIC) expression of its support for, the Draft Second Restated MAA. The FCA announces that it has approved the Draft Second Restated MAA.

System banks and the Funding Corporation entered into the original MAA in September 1994, to help control the risk of each System bank by outlining each party's respective rights

¹ On December 3, 2010, the FCA Board also approved amendments to the Amended and Restated MAA that would conform its provisions to the System banks' proposed Joint and Several Liability Reallocation Agreement (Reallocation Agreement) to ensure that the MAA provisions did not impede operation of the Reallocation Agreement; the amendments further provided that the MAA and the Reallocation Agreement are separate agreements, and invalidation of one does not affect the other. The FCA published those amendments in the **Federal Register** on December 9, 2010 (75 FR 76729).

and responsibilities in the event the condition of a System bank fell below certain financial thresholds. As part of the original MAA, System banks and the Funding Corporation agreed to periodic reviews of the terms of the MAA to consider whether any amendments were appropriate.

The proposed Second Restated MAA retains the same general framework and most of the provisions of the Restated and Amended MAA, updated as necessary.

Having given the public notice and the opportunity to comment, the FCA Board hereby approves the Draft Second Restated MAA pursuant to sections 4.2(c), 4.2(d) and 4.9(b)(2) of the Farm Credit Act of 1971, as amended. The FCA's approval of the Draft Second Restated MAA is conditioned on the board of directors of each bank and the Funding Corporation approving the Draft Second Restated MAA. Neither the Draft Second Restated MAA, when it becomes effective, nor FCA approval of it shall in any way restrict or qualify the authority of the FCA or the FCSIC to exercise any of the powers, rights, or duties granted by law to the FCA or the FCSIC. Finally, the FCA retains the right to modify or revoke its approval of the Draft Second Restated MAA at any time.

Dated: December 9, 2011.

Secretary, Farm Credit Administration Board.

Synopsis of Notice of Inquiry

I. Introduction

1. In this Notice of Inquiry (NOI), we seek comment on a proposal to replace the issues/programs list that television stations have been required to place in their public files for decades with a streamlined, standardized disclosure form that will be available to the public online. Our goal is to make it easier for members of the public to learn about how television stations serve their communities, and to make broadcasters more accountable to the public, by requiring stations to provide easily accessible programming information in a standardized format. This standardized disclosure will also assist the Commission and researchers to study and analyze how broadcasters respond to the needs and interests of their communities of license. We seek to address many of the shortcomings that have been attributed to the form adopted in the 2007 Enhanced Disclosure Report and Order, 73 FR 13452, March 13, 2008, which we have vacated in a separate Order on Reconsideration and Further Notice of Proposed Rulemaking (FNPRM) in MB Docket No. 00-168, FCC 11-162, rel.
