(1) “Child Pornography” means material that contains either an obscene visual depiction of a minor engaging in sexually explicit conduct or a visual depiction of an actual minor engaging in sexually explicit conduct.

(2) An accused may not be convicted of possessing, receiving, viewing, distributing, or producing child pornography if he was not aware that the images were of minors, or what appeared to be minors, engaged in sexually explicit conduct. Awareness may be inferred from circumstantial evidence such as the name of a computer file or folder, the name of the host website from which a visual depiction was viewed or received, search terms used, and the number of images possessed.
