Title: Entry/Immediate Delivery Application and Simplified Entry.
OMB Number: 1651-0024.

Form Number: CBP Form 3461 and Form 3461 ALT.

Abstract: All items imported into the United States are subject to examination before entering the commerce of the United States. There are two procedures available to effect the release of imported merchandise, including

“entry” pursuant to 19 U.S.C. 1484, and “immediate delivery” pursuant to 19 U.S.C. 1448(b). Under both procedures, CBP Forms 3461 and 3461 ALT are the source documents in the packages presented to Customs and Border Protection (CBP). The information collected on CBP Forms 3461 and 3461 ALT allow CBP officers to verify that the information regarding the consignee and shipment is correct and that a bond is on file with CBP. CBP also uses these forms to close out the manifest and to establish the obligation to pay estimated duties in the time period prescribed by law or regulation. CBP Form 3461 is also a delivery authorization document and is given to the importing carrier to authorize the release of the merchandise. CBP Forms 3461 and 3461 ALT are provided for by 19 CFR 141 and 142. These forms are accessible at: <http://www.cbp.gov/xp/cgov/toolbox/forms/>.

CBP proposes to establish a new program for ACE entry summary filers called “Simplified Entry” in which importers or brokers may file Simplified Entry data in lieu of filing CBP Form 3461. This data includes 12 required elements: Importer of record; buyer name and address; buyer employer identification number (consignee number); seller name and address; manufacturer/supplier name and address; Harmonized Tariff Schedule 10-digit number; country of origin; bill of lading; house air waybill number; bill of lading issuer code; entry number; entry type; and estimated shipment value. There will also be three optional data elements including: Container stuffing location; consolidator name and address; and ship to party name and address. The data collected under the proposed Simplified Entry program is intended to expedite the entry process.

Current Actions: CBP proposes to extend the expiration date of this information collection with a change to the burden hours as a result of the proposed addition of the Simplified Entry program.
