[Docket No. AC12-27-000]

Midwest Independent Transmission System Operator, Inc.; Notice of Filing

Take notice that on December 27, 2011, Midwest Independent Transmission System Operator, Inc. submitted a request for authorization to defer for future recovery certain costs with the integration of the Entergy Operating Companies.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 or 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). k. Description of Proceeding: The licensee is currently in violation of standard Article 17 of its license,

granted on March 1, 2001 and section 6.4 of the Commission's regulations, which state that it is deemed to be the intent of a licensee to surrender its license, if it abandons a project for a period of three years. The project has not operated since June of 2005. During a 2007 inspection, staff was unable to gain access to the project and confirmed it was non-operational. On October 6, 2011, Commission staff sent the licensee a letter concerning the non-operating status of the project. To date the licensee has failed to respond and the project remains inoperative. By not operating the project as proposed and authorized, the licensee is in violation of the terms and conditions of the license.

l. This notice is available for review and reproduction at the Commission in the Public Reference Room, Room 2A, 888 First Street NE., Washington, DC 20426. The filing may also be viewed on the Commission's Web site at <http://www.ferc.gov/docs-filing/elibrary.asp>. Enter the Docket number (P-2928) in the docket number field to access the notice. m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 385.211, and 385.214. In determining the appropriate action to take, the Commission will consider all protests filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any protests or motions to intervene must be received on or before the specified deadline date for the particular proceeding.

o. Filing and Service of Responsive Documents—Any filing must: (1) Bear in all capital letters the title "COMMENTS", "PROTEST", or "MOTION TO INTERVENE," as applicable; (2) set forth in the heading the project number of the proceeding to which the filing responds; (3) furnish the name, address, and telephone number of the person commenting, protesting or intervening; and (4) otherwise comply with the requirements

of 18 CFR 385.2001 through 385.2005. All comments, protests or motions to intervene must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). All comments, protests, or motions to intervene should relate to project works, which are the subject of the termination of license. A copy of any protest or motion to intervene must be served upon each representative of the licensee specified in item g above. If an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency. A copy of all other filings in reference to this notice must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b) and 385.2010.

p. Agency Comments—Federal, state, and local agencies are invited to file comments on the described proceeding. If any agency does not file comments within the time specified for filing comments, it will be presumed to have no comments.

Dated: January 6, 2012.
