SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Recordkeeping Requirements for Securities Transactions—12 CFR parts 12 and 151.

OMB Number: 1557-0142.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The only revisions to the submission are the revised estimates, which have been updated.

The information collection requirements in 12 CFR parts 12 and 151 are required to ensure that national banks and savings associations comply with securities laws and to improve the protection afforded persons who purchase and sell securities through these financial institutions. The transaction confirmation information provides customers with a record regarding the transaction and provides both financial institutions and the OCC with records to ensure compliance with these institutions and securities laws and regulations. The OCC uses the required information in its examinations to evaluate, among other things, an institution's compliance with the antifraud provisions of the Federal securities laws.

The information collection requirements contained in 12 CFR parts 12 and 151 are as follows:

- 12 CFR 12.3 requires a national bank effecting securities transactions for customers to maintain records for at least three years. The records required by this section must clearly and

accurately reflect the information required and provide an adequate basis for the audit of the information.

- 12 CFR 151.50 establishes the minimum recordkeeping requirements for savings associations concerning securities transactions with their customers. Savings associations must maintain essential records to track their activity in securities transactions.

- 12 CFR 12.4 requires a national bank to give or send to the customer a written notification of the transaction or a copy of the registered broker/dealer confirmation relating to the transaction.

- 12 CFR 151.70–151.100 establish the minimum disclosures needed for confirmation of a customer’s security transaction.

- 12 CFR 12.5(a), (b), (c), and (e) describe procedures a national bank may use as an alternative to complying with § 12.4, to notify customers of transactions in which the bank does not exercise investment discretion, trust transactions, agency transactions, and certain periodic plan transactions.

- 12 CFR 151.90 requires savings associations to provide the customer a written notice, which must give or send the written notice at or before the completion of the securities transactions.

- 12 CFR 12.7(a)(1) through (a)(3) require a national bank to maintain and adhere to policies and procedures that assign responsibility for supervision of employees who perform securities trading functions; provide for the fair and equitable allocation of securities and prices to accounts; and provide for crossing of buy and sell orders on a fair and equitable basis.

- 151.140 requires savings associations to adopt written policies and procedures dealing with the functions involved in effecting securities transactions on behalf of customers.

- 12 CFR 12.7(a)(4) requires certain national bank officers and employees involved in the securities trading process to report to the bank all personal transactions in securities made by them or on their behalf in which they have a beneficial interest.

- 12 CFR 151.150 requires certain savings association officers and employees to report personal transactions they make or that are made

on their behalf in which they have a beneficial interest.

- 12 CFR 12.8 requires a national bank seeking a waiver of one or more of the requirements of §§ 12.2 through 12.7 to file a written request for waiver with the OCC.

Type of Review: Regular.

Affected Public: Individuals; Businesses or other for-profit.

Estimated Number of Respondents: 1,326.

Estimated Total Annual Responses: 2,833.

Estimated Frequency of Response: On occasion.

Estimated Total Annual Burden: 6,944 hours.
