Rule 13A

The proposed change to Rule 13A would add a new subparagraph (h) as follows:

(h) *Time Limitation.* An *amicus curiae* brief submitted under this Rule is not subject to the time limitation in Rule 26(b), but such brief shall be filed no less than 14 days before the scheduled date for oral argument. Both the appellant and the appellee may file a reply to such brief within 7 days of the filing thereof, subject to the limitations specified in Rule 24(b) and (c).

Comment: The proposed change to Rule 13A would provide that a brief submitted under the Student Practice Rule would not fall under the normal deadline for filing *amicus curiae* briefs provided in Rule 26(b) (requiring filing within 10 days of the filing of the brief of the party supported), but rather would be due for filing no less than 14 days before the scheduled date for oral argument. The proposal is intended to eliminate the problem posed in Project Outreach cases that are often selected and/or calendared well beyond the date for filing *amicus curiae* briefs. The
