the beginning of the lease term. In the event that this does not occur, the HAP contract may be executed up to 60 calendar days after the beginning of the lease term. If the HAP contract is executed during this 60-day period, Rural Development will pay retroactive housing assistance payments to cover the portion of the approved lease term before execution of the HAP contract. Any HAP contract executed after the 60day period is untimely, and Rural Development will not pay any housing assistance payment to the owner for that period. In establishing the effective date of the voucher HAP contracts, Rural Development may not execute a HAP contract that is effective prior to the Section 515 loan prepayment.

5. Subsidy Calculations for Rural Development Vouchers

As stated earlier, if eligible, the tenant will be notified of the maximum voucher amount within 90 days following prepayment or foreclosure. The maximum voucher amount for the Rural Development Voucher Program is the difference between the comparable market rent for the family's former Section 515 unit and the tenant's rent contribution on the date of the prepayment. The voucher amount will be based on the comparable market rent; the voucher amount will never exceed the comparable market rent at the time of prepayment for the tenant's unit if the tenant chooses to stay in-place. Also, in no event may the Rural Development Voucher payment exceed the actual tenant lease rent. The amount of the voucher does not change either over time or if the tenant chooses to move to a more expensive location.

6. Mobility and Portability of Rural Development Vouchers

An eligible family that is issued a Rural Development Voucher may elect to use the assistance in the same project or may choose to move to another location. The Rural Development Voucher may be used at the prepaid property or any other rental unit in the United States and its territories that passes Rural Development physical inspection standards, and where the owner will accept a Rural Development Voucher and execute a Form HUD 52641. Tenants and landlords must inform Rural Development if the tenant plans to move during the HAP agreement term, even to a new unit in the same complex. All moves (within a complex or to another complex) require a new obligation, a new inspection and a new HAP agreement. In addition, HUD Section 8 and federally assisted public housing is excluded from the Rural

Development Voucher Program because these units are already federally subsidized. Tenants with a Rural Development Voucher would have to give up the Rural Development Voucher to accept the assistance at those properties. The Rural Development Voucher may be used in other properties financed by Rural Development, but it cannot be used in combination with the Rural **Development Rental Assistance** program. Tenants with a Rural Development Voucher that apply for housing in a Rural Developmentfinanced property must choose between using the voucher or Rental Assistance. If the tenant relinquishes the Rural Development Voucher in favor of Rental Assistance, the tenant is not eligible to receive another Rural Development Voucher.

7. Term of Funding and Conditions for Renewal for Rural Development Vouchers

The Rural Development Voucher Program provides voucher assistance for 12 monthly payments. The voucher is issued to the household in the name of the primary tenant, as the voucher holder. The voucher is not transferable from the voucher holder to any other household member except in the case of the voucher holder's death or involuntary household separation such as the incarceration of the voucher holder or transfer of the voucher holder to an assisted living or nursing home facility. Upon receiving documentation of such cases, the voucher may be transferred at the Agency's discretion to another tenant on the voucher holder's lease.

The voucher is renewable subject to the availability of appropriations to the USDA. In order to renew a voucher, a tenant must return a signed Voucher Obligation Form which will be sent to the tenant within 60–90 days before the current voucher expires. If the voucher holder fails to return the renewal Voucher Obligation Form before the current voucher funding expires, the voucher will be terminated.

In order to ensure continued eligibility to use the Rural Development Voucher, at the time they apply for renewal of the voucher, tenants must certify that the current family income does not exceed 80 percent of family median income. Rural Development will advise the tenant of the maximum income level when the renewal Voucher Obligation Form is sent.

Renewal requests will have no preference and will be processed as a new application as described in this Notice.

8. Non-Discrimination Statement

"The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, (including gender identity and expression) marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual's income is derived from any public assistance program.
