BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 13273-001]

Town of Canton; Notice of Preliminary Permit Application Accepted for Filing and Soliciting Comments, Motions To Intervene, and Competing Applications

On January 4, 2012, the Town of Canton, Connecticut filed an application for a successive preliminary permit, pursuant to section 4(f) of the Federal Power Act, proposing to study the feasibility of the Canton Hydroelectric Project (Canton Project or project) to be located on the Farmington River, in the Town of Canton, Hartford County, Connecticut. The sole purpose of a preliminary permit, if issued, is to grant the permit holder priority to file a license application during the permit term. A preliminary permit does not authorize the permit holder to perform any land-disturbing activities or otherwise enter upon lands or waters owned by others without the owners' express permission.

The project would consist of two developments. The Upper Collinsville development would consist of: (1) The 18-foot-high, 325-foot-long stone masonry Upper Collinsville dam with a crest elevation of 289.2 feet above mean sea level (msl); (2) new 3-foot-high flashboards; (3) an existing 55-acre impoundment; (4) an existing gated forebay; (5) an existing 140-foot-long, 50-foot-wide intake canal; (6) an existing brick and masonry powerhouse with two new turbine generating units with a total installed capacity of 1,080 kilowatts (kW); (7) a new 210-kW low flow turbine generating unit located on

the east side of the dam; (8) an existing 70-foot-long tailrace; and (9) a new 4.16/23-kilovolt (kV), 200-foot-long transmission line. The Lower Collinsville development would consist of: (1) The 20-foot-high, 300-foot-long concrete gravity Lower Collinsville dam with a crest elevation of 269.7 feet above msl; (2) new 5-foot-high flashboards; (3) an existing 32-acre impoundment; (4) an existing gatehouse and intake structure; (5) an existing 650-foot-long, 50-foot-wide intake canal; (6) an existing brick and masonry powerhouse with two new turbine generating units with a total installed capacity of 876 kW; (7) a new 210-kW low flow turbine generating unit located adjacent to the gatehouse intake; (8) an existing 100-foot-long tailrace; and (9) a new 4.16/23-kV, 750-foot-long transmission line. The estimated annual generation of the Canton Project would be 8,000 megawatt-hours.

Applicant Contact: Paul V. Nolan, Esq., 5515 North 17th Street, Arlington, VA 22205-2722; (703) 534-5509.

FERC Contact: Dr. Nicholas Palso; phone: (202) 502-8854.

Deadline for filing comments, motions to intervene, competing applications (without notices of intent), or notices of intent to file competing applications: 60 days from the issuance of this notice. Competing applications and notices of intent must meet the requirements of 18 CFR 4.36. Comments, motions to intervene, notices of intent, and competing applications may be filed electronically via the Internet. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site <http://www.ferc.gov/docs-filing/efiling.asp>. Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at <http://www.ferc.gov/docs-filing/ecomment.asp>. You must include your name and contact information at the end of your comments. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at 1-(866) 208-3676, or for TTY, (202) 502-8659. Although the Commission strongly encourages electronic filing, documents may also be paper-filed. To paper-file, mail an original and seven copies to: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

More information about this project, including a copy of the application, can be viewed or printed on the "eLibrary" link of Commission's Web site at <http://www.ferc.gov/docs-filing/elibrary.asp>. Enter the docket number (P-13273-001) in the docket number

field to access the document. For assistance, contact FERC Online Support.

Dated: January 19, 2012.

Kimberly D. Bose,
Secretary.

[Docket No. CP12-43-000]

Questar Pipeline Company; Notice of Request Under Blanket Authorization

Take notice that on January 5, 2012, Questar Pipeline Company (Questar), 180 East 100 South, Salt Lake City, Utah 84111 filed a prior notice application pursuant to sections 157.205, 157.208 and 157.210 of the Federal Energy Regulatory Commission's regulations under the Natural Gas Act (NGA), and Questar's blanket certificate issued in Docket No. CP82-491-000, to construct, own and operate the upgraded compressor engine at the Blind Canyon Compressor Station located in Duchesne County, Utah, all as more fully set forth in the application, which is open to the public for inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676 or TTY, (202) 502-8659.

Any questions regarding this application should be directed to L. Bradley Burton, General Manager, Federal Regulatory Affairs and Chief Compliance Officer, Questar Pipeline Company, 180 East 100 South, P.O. Box 45360, Salt Lake City, Utah 84145-0360 or telephone (801) 324-2459 or fax (801) 324-5834 or by email brad.burton@questar.com.

Any person may, within 60 days after the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention. Any person filing to intervene or the Commission's staff may, pursuant to section 157.205 of the Commission's Regulations under the NGA (18 CFR 157.205) file a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the

time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commentors will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commentors will not be required to serve copies of filed documents on all other parties. However, the non-party commentors will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (www.ferc.gov) under the "e-Filing" link. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

Dated: January 19, 2012.

Kimberly D. Bose,
Secretary.

[Docket No. CP12-46-000]

Kinder Morgan Interstate Gas Transmission LLC

Notice of Request Under Blanket Authorization

Take notice that on January 6, 2012, Kinder Morgan Interstate Gas Transmission LLC (Kinder Morgan), Post Office Box 281304, Lakewood, Colorado 800228-8304, filed in the above Docket, a prior notice request pursuant to sections 157.205, 157.208 and 157.213 of the Commission's

regulations under the Natural Gas Act (NGA), for authorization to increase the current certificated maximum injection and withdrawal rates at the Huntsman Storage Facility located in Cheyenne County, Nebraska under Kinder Morgan's blanket certificate issued March 16, 1983 and Docket Nos. CP83-140-100 and CP83-140-001, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov or toll free at (866) 208-3676, or TTY, contact (202) 502-8659.

Kinder Morgan states that by a Commission order issued September 30, 2009 in Docket No. CP09-109-000, it was granted authorization to construct and operate additional facilities, the Huntsman 2009 Expansion Project, to increase the capability of the Huntsman Storage Facility. The September 30, 2009 order also authorized Kinder Morgan to increase the injection and withdrawal rates to the currently authorized maximum injection rate of 107 MMcf/d and withdrawal rate of 179.4 MMcf/d. Specifically, Kinder Morgan is requesting authorization to increase the maximum certificated injection rate from 107 MMcf/d to 130 MMcf/d, and to increase the maximum certificated withdrawal rate from 179.4 MMcf/d to 210 MMcf/d.

Any questions concerning this application may be directed to Robert F. Harrington, Vice President, Regulatory, Kinder Morgan Interstate Gas Transmission LLC, P.O. Box 281304, Lake wood, Colorado 80228-8304 at (303) 763-3258.

Any person may, within 60 days after the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention. Any person filing to intervene or the Commission's staff may, pursuant to section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) (18 CFR 157.205) file a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for

authorization pursuant to section 7 of the NGA.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the internet in lieu of paper. See 18 CFR 385.2001(a) (1) (iii) and the instructions on the Commission's Web site (www.ferc.gov) under the "e-Filing" link.

Dated: January 19, 2012.
