

information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended). This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) enhance the quality, utility, and clarity of the information to be collected; and (4) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Public Housing Agency (PHA) 5-Year and Annual Plan.

OMB Control Number, if applicable: 2577-0226.

Description of the Need for the Information and Proposed Use: The PHA Plan is a comprehensive guide to PHA policies, programs, operations, and strategies for meeting local housing needs and goals. The PHA Plan informs HUD, residents, and the public of the PHA's mission for serving the needs of low, very low-income, and extremely low-income families and its strategy for addressing those needs. This data allows HUD to monitor the performance of programs and the performance of public housing agencies that administer the programs. The PHA Plan is being revised to address, clarify and provide additional guidance on the submission requirements for qualified and non-qualified PHAs, as well as to address previous public comments. Section 2702 of Title VII—Small Public Housing Authorities Paperwork Reduction Act, of the Housing and Economic Recovery Act (HERA) of 2008 amends section 5A(b) of the 1937 Act by establishing "qualified public housing agencies," a category of PHAs with less than 550 public housing units and tenant-based vouchers combined that are provided substantial paperwork relief, primarily with respect to the PHA Annual Plan requirements in section 5(A)(b) of the United States Housing Act of 1937. The paperwork relief exempts qualified PHAs from the requirement to prepare and submit an annual PHA plan to HUD for review.

This Act impacts approximately seventy-four percent, or 2,994 of the 4,053 PHAs that are required to submit an annual PHA plan. In addition to the exemption from submitting annual plans for qualified agencies, because of the different annual plan submission requirements of agencies that are considered standard, high-performer, Housing Choice Voucher (HCV) only, small, and troubled within 24 CFR part 903, the existing approved forms were determined to be incompatible with the program requirements. Therefore, some previously approved forms have been separated into new forms that will be completed by different classes of PHAs. These changes also reflect recommendations made by the public in a previous information collection. Specifically, this information collection revises previously approved OMB forms HUD-50077-SL and HUD-50077-CR; adds Certifications of Compliance with PHA Plans and Related Regulations (form HUD-50077-SM-HP and HUD-50077-ST-HCV) formerly appearing on form HUD 50077 as separate documents; deletes approved OMB form HUD-50075, and replaces that form with five new forms (form HUD-50075-5Y, HUD-50075-ST, HUD-50075-SM-HP, HUD-50075-HCV, and HUD-50075-QA).

Qualified PHAs no longer submit information on discretionary programs (demolition or disposition, HOPE VI, Project-based vouchers, required or voluntary conversion, homeownership, or capital improvements, etc.) as part of an Annual PHA Plan submission. However, Qualified PHAs that intend to implement these activities are still subject to the full application and approval processes that exist for demolition or disposition, designated housing, conversion, homeownership, and other special application processes that will no longer be tied to prior authorization in an Annual PHA Plan for a Qualified PHA. All PHAs, including the PHAs identified as Qualified PHAs under HERA, must continue to submit any demolition or disposition, public housing conversion, homeownership, or other special applications as applicable to HUD's Special Applications Center (SAC) in Chicago for review and approval or to HUD Headquarters for CFFP proposals. It is expected that Qualified PHAs, as a matter of good business practice, continue to keep their residents, the general public, and the local HUD office apprised of any plans to initiate these types of programs and activities.

Agency Form Number, if applicable: HUD-50075-5Y, HUD-50075-ST, HUD-50075-SM-HP, HUD-50075-

HCV, HUD-50075-QA, HUD-50075.1, HUD-50075.2, HUD-50077-ST-HCV, HUD-50077-SM-HP, HUD-50077-CR, HUD-50077-SL.

Members of the Affected Public:

Local, Regional and State Body Corporate Politic Public Housing Agencies (PHAs) Governments.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated number of annual burden hours needed to prepare the information collection is 20,290; estimated number of respondents is 4,053; the frequency of response is annually for all PHAs. All PHAs may submit updated PHA Plans when amending or modifying any PHA policy, rule, regulation or other aspect of the plan.

Status of the Proposed Information Collection: Reinstatement, with change, of a previously approved collection.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: January 26, 2012.

[Docket No. FR-5601-N-05]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at (800) 927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing

this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a

Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-(800) 927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: COE: Mr. Scott Whiteford, Army Corps of Engineers, Real Estate, CEMP-CR, 441 G Street NW., Washington, DC 20314; (202) 761-5542; ENERGY: Mr. Mark Price, Department of Energy, Office of Engineering & Construction Management, MA-50, 1000 Independence Ave. SW., Washington, DC 20585; (202) 586-5422; GSA: Mr. Gordon Creed, Acting Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets NW., Washington, DC 20405; (202) 501-0084; INTERIOR: Mr. Michael Wright, Acquisition & Property Management, Department of the Interior, 1801 Pennsylvania Ave. NW., 4th Floor, Washington, DC 20006; (202) 254-5522; NAVY: Mr. Albert Johnson, Department of the Navy, Asset Management Division, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave. SW., Suite 1000, Washington, DC 20374; (202) 685-9305 (These are not toll-free numbers).
