

Act,⁷ which requires, among other things, that the rules of a national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission believes that the proposal strikes a reasonable balance between the Exchange's desire to offer a wider array of strike prices in SLV and USO options while minimizing the unnecessary proliferation of strike prices in such options. The Commission expects the Exchange to monitor the trading volume associated with the additional strike prices listed as a result of this proposal and the effect of these additional strike prices on market fragmentation and on the capacity of the Exchange's, OPRA's, and vendors' automated systems.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-Phlx-2011-175) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹

Kevin M. O'Neill,
Deputy Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66287; File No. SR-FINRA-2012-008]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delay the Implementation Date for Amendments to the Trading Activity Fee Rate for Transactions in Covered Equity Securities

February 1, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January

31, 2012, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to delay the implementation date of amendments to the Trading Activity Fee ("TAF") in SR-FINRA-2011-071 approved by the Commission on January 30, 2012.⁴

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On December 14, 2011, FINRA filed a proposed rule change to increase FINRA's TAF rate for transactions in covered equity securities.⁵ In the Original Filing, FINRA proposed February 1, 2012, as the implementation date for the rate change. The proposed rule change was published for comment in the **Federal Register** on December 30,

2011.⁶ The Commission received no comments on the proposed rule change and approved the proposed rule change in an order dated January 30, 2012.⁷

In the Original Filing, FINRA stated that the proposed implementation date of the proposed rule change would be February 1, 2012. Due to the short timeframe between the Commission's approval of the proposed rule change on January 30, 2012, and the proposed implementation date of February 1, 2012, FINRA believes it is appropriate to delay the implementation date by one month to give members adequate time to prepare any necessary changes to their systems to implement the rate change. Consequently, FINRA is proposing to delay the implementation date from February 1, 2012, to March 1, 2012. FINRA believes that this will provide firms with adequate time to prepare for the change in the TAF rate for covered equity securities.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that FINRA can implement the proposed rule change immediately.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(5) of the Act,⁸ which requires, among other things, that FINRA rules provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system that FINRA operates or controls. Because of the short timeframe between the Commission's approval of the proposed rule change and the proposed implementation date of February 1, 2012, FINRA believes that delaying the implementation date from February 1, 2012, to March 1, 2012, will provide firms with adequate time to prepare for the change in the TAF rate for covered equity securities.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

FINRA has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest, (ii) impose any significant burden on competition, and, (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6) thereunder.¹²

The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest. Such waiver will give FINRA's member firms additional time to prepare for the change in the TAF rate for covered equity securities. Therefore, the Commission designates the proposal operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
