

Based on public comments and upon further internal review, it was determined that preparation of an EIS is necessary to address potentially significant effects of this proposed exchange. Information in the EA will be integrated into the Draft EIS.

Public scoping will help determine relevant issues that will influence the scope of the environmental analysis, including alternatives, and guide development of the EIS. At present, the BLM has identified potential effects of the proposed land exchange on cultural resources, Native American concerns, minerals, threatened and endangered species, invasive species, wild and scenic rivers, and non-motorized recreation access as preliminary issues for analysis.

All public comments submitted to the BLM about the EA released on July 27, 2010, will be retained, used to formulate alternatives and environmental analyses for the Draft EIS, and responded to in the Draft EIS. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can request that your personal identifying information be withheld from public review, there is no guarantee that we will be able to do so.

In addition, the agenda may include requests to the Review Committee for a recommendation to the Secretary of the Interior, as required by law, in order to effect the agreed-upon disposition of Native American human remains determined to be culturally unidentifiable; presentations by Indian tribes, Native Hawaiian organizations, museums, Federal agencies, and the public; requests to the Review

Committee, pursuant to 25 U.S.C. 3006 (c)(3), for review and findings of fact related to the identity or cultural affiliation of human remains or other cultural items, or the return of such items; and the hearing of disputes among parties convened by the Review Committee pursuant to 25 U.S.C. 3006 (c)(4). The agenda and materials for this meeting will be posted on or before October 29, 2012, at <http://www.nps.gov/nagpra>.

The Review Committee is soliciting presentations by Indian tribes, Native Hawaiian organizations, museums, and Federal agencies on the following two topics: (1) The progress made, and any barriers encountered, in implementing NAGPRA and (2) the outcomes of disputes that have come before the Review Committee pursuant to 25 U.S.C. 3006 (c)(4). The Review Committee also will consider other presentations by Indian tribes, Native Hawaiian organizations, museums, Federal agencies, and the public. A presentation request must, at minimum, include an abstract of the presentation and contact information for the presenter(s). Presentation requests must be received by October 1, 2012.

The Review Committee will consider requests for a recommendation to the Secretary of the Interior, as required by law, in order to effect the agreed-upon disposition of Native American human remains determined to be culturally unidentifiable (CUI). A CUI disposition request must include the appropriate, completed form posted on the National NAGPRA Program Web site and, as applicable, the ancillary materials noted on the form.
