Title, Associated Form, and OMB Control Number: Department of Defense National Survey of Employers.

Needs and Uses: The Department of Defense National Survey of Employers is designed to determine ways of supporting employers when Guard and Reserve employees are absent due to military duties, determine general attitudes toward Guard and Reserve employees and their contributions to employers, and examine knowledge of and compliance with Uniformed Services Employment and Reemployment Rights Act.

Affected Public: Business or other for-profit; Not-for-profit institutions; Federal Government; State, local or tribal government.

Annual Burden Hours: 125,000 hours.

Number of Respondents: 250,000.

Responses per Respondent: 1.

Average Burden per Response: 30 minutes.

Frequency: One time.

SUPPLEMENTARY INFORMATION:**Summary of Information Collection**

The Uniformed Services Employment and Reemployment Rights Act (USERRA) requires that persons who serve or have served in the Armed Forces, Reserves, National Guard or other "uniformed services:" (1) Are not disadvantaged in their civilian careers because of their service; (2) are promptly reemployed in their civilian jobs upon their return from duty; and (3) are not discriminated against in employment based on past, present, or future military service. The Act covers members of the Uniformed Services, any other category of persons designated by the President in time of war or national emergency, and their government and civilian employers. It is the responsibility of the Employer Support of the Guard and Reserve (ESGR) to promote cooperation and understanding between Reserve component members and their civilian employers and to assist in the resolution of conflicts arising from an employee's military commitment. The Department of Defense National Survey of Employers is being conducted on a statistically random basis to determine best practices of ESGR in supporting employers of Reserve and Guard members and to evaluate the effectiveness of ESGR and DoD programs. The information collected is used for overall program evaluation, management and improvement.

Dated: January 31, 2012.

Title and OMB Control Number: Utility of Test Preparation Guides and Education Programs in Enhancing Recruit Candidate Performance on the Armed Services Vocational Aptitude Battery (ASVAB), OMB Number 0704-0450.

Needs and Uses: The 2007 National Defense Authorization Act (NDAA), section 546, directs the Secretary of Defense to conduct a test of the utility of test preparation guides in enhancing recruit candidate performance on the Armed Services Vocational Aptitude Battery (ASVAB). The ASVAB is a cognitive ability test used to select and classify applicants for enlistment into the U.S. military. This information data collection is needed to meet the following objectives, as stated in the NDAA, to examine: The degree to which test preparation assistance degrades test reliability and accuracy, the degree to which test preparation assistance allows more accurate testing of skill aptitudes and mental capability, and to recommend a role for test preparation assistance in military recruiting.

Affected Public: Individuals or households.

Annual Burden Hours: 33,350.

Number of Respondents: 145,000.

Responses per Respondent: 1 or 2.

Average Burden per Response: 12 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The 2007 National Defense Authorization Act (NDAA), section 546, directs the Secretary of Defense to conduct a test of the utility of test preparation guides in enhancing recruit candidate performance on the Armed Services Vocational Aptitude Battery (ASVAB). The instrument used to collect the information is the ASVAB Preparation Questionnaire, which covers: (a) ASVAB test taking history, (b) ASVAB preparation behaviors, (c) academic history, and (d) language spoken and education level of parents. The potential respondent universe consists of all military applicants who complete the ASVAB when taken at Military Entrance Processing Stations (MEPS) and Military Entrance Testing

Sites (METS). The questionnaire will be administered immediately after the applicant completes the ASVAB. Computer administration will be used in the MEPS and paper and pencil in the METS. The information collected will be used for program planning, and to compile the congressionally-mandated report.
