A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under **ADDRESSES**. This proposed rule involves establishing a safety zone and as such is categorically excluded, under figure 2-1, paragraph (34)(g) of the Instruction. A preliminary "Environmental Analysis Check List" supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

SUPPLEMENTARY INFORMATION: Federal regulations at 45 CFR 1357, originally published in 1996, implement title IV-B of the Social Security Act (the Act). Legislation enacted over the last 15 years added new plan and fiscal requirements to title IV-B for States and Tribes to implement. While we have addressed these title IV-B requirements in Program Instructions and Information Memorandums, we are considering regulatory amendments to bring the regulations in line with the Act. Additionally, these regulations refer to numerous obsolete dates and timelines. Below, we provide a list of the major changes in the law since 1996 that relate to the title IV-B program requirements.

Several regulatory provisions have been superseded by statute including:

- *45 CFR 1357.50:* The Child and Family Services Improvement and Innovation Act (Public Law (Pub. L.) 112-34) amended section 431 of the Act to define "Indian Tribe" for title IV-B, subpart 2 the same way it is defined for title IV-B, subpart 1; this makes the definitions of Indian Tribe in 1357.50 obsolete.

- *45 CFR 1357.50(f)(1)(ii):* Amendments to section 432(b)(2) of the Act in the Child and Family Services Improvement Act of 2006 (Pub. L. 109-288) supersede the Secretary's authority to waive for Indian Tribes only the requirement that title IV-B, subpart 2 funds will not be used to supplant Federal or non-Federal funds expended

under title IV-B, subpart 2. ACF continues to have the authority to waive for Indian Tribes only the requirement that not more than 10 percent of expenditures will be for administrative costs and the requirement that a significant portion of expenditures will be for family preservation services, community-based family support services, time limited family reunification services, and adoption promotion and support services; and

- *45 CFR 1357.50(f)(2):* Further amendments in Public Law 109-288 to section 432(b)(2) of the Act supersede the Secretary's authority to waive other State plan requirements requested by the Tribe (only those listed in paragraphs (f)(1)(i) and (iii) may still be waived) contrary to what is stated in 45 CFR 1357.50(f)(2).

The Child and Family Services Plan requirements have been revised by statutory changes including:

- A requirement that title IV-B agencies coordinate and collaborate with the State Medicaid agency and, in consultation with pediatricians and others, develop a plan for the ongoing oversight and coordination of health care services for any child in a foster care placement in accordance with the Fostering Connections to Success and Increasing Adoptions Act of 2008 (Pub. L. 110-351).

- A description of the standards for the content and frequency of caseworker visits for children in foster care as described in sections 422(b)(17) of the Act pursuant to Public Law 112-34; and

- A description of activities to reduce the length of time children under five years of age are without a permanent family and to address the developmental needs of such children who receive benefits or services under titles IV-B/IV-E in accordance with Public Law 112-34.

Amendments to the Act over the years removed several title IV-B requirements including:

- *45 CFR 1357.15(c)(3):* Assurance of a plan for the training and use of paid paraprofessional staff and for the use of volunteers; and

- *45 FR 1357.15(c)(4):* Requirement to assure day care facility standards and requirements correspond with the child care standards imposed under title XX.

Consultation Opportunities: As specified in the **ADDRESSES** section, you may submit written comments. In addition, we plan to hold conference calls and in-person consultations in ACF Regions II, VI, VII and X and in our Washington, DC office. We invite Tribal leaders and/or their representatives to personally attend these meetings or call in to provide input on the proposed
