

Agency (EPA), the Pipeline and Hazardous Materials Safety Administration (PHMSA) and the Bureau of Safety and Environmental Enforcement (BSEE). Completion of the PREP exercises will satisfy all OPA 90 mandated Federal oil pollution response exercise requirements.

The four Federal agencies referenced above published the PREP Guidelines in 1994 and revised them in 2002. The 2002 edition is available in the docket as described in the **ADDRESSES** section above. The agencies are now considering revising the PREP Guidelines again in order to reflect agency reorganizations, preparedness and response lessons learned, and new regulations, including the Coast Guard's Salvage and Marine Firefighting regulations. We invite public comment on what changes, if any, should be made to update or improve the PREP Guidelines.

This notice is part of a two-stage public comment process. The comments received from the public on what, if any, suggested changes would be appropriate to the current version of the PREP Guidelines will be used to inform the revision process. After considering all of the comments, we anticipate making a revised draft of the PREP Guidelines available for public review and comment in the future.

This notice is issued under authority of 33 U.S.C. 1321(j), 5 U.S.C. 552(a), and 33 CFR 1.05-1.

Dated: February 9, 2012.

Announcement of Funding Awards for the Capacity Building for Sustainable Communities Program for Fiscal Year 2011

AGENCY: Office of Sustainable Housing and Communities, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department in a competition for funding under the Fiscal Year 2011 (FY 2011) Notice of

Funding Availability (NOFA) for the Community Challenge Planning Grant Program (Challenge Grants). This announcement contains the consolidated names and addresses of this year's award recipients.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: The Capacity Building for Sustainable Communities Program identifies intermediary organizations that can provide capacity building support for communities engaged in planning efforts that support community involvement and integrate housing, land use, land cleanup and preparation for reuse, economic and workforce development, transportation, and infrastructure investments.

The first purpose of the Program is to assemble a collection of capacity building service providers to work directly with the FY2010 and FY2011 HUD Sustainable Communities Regional Planning and Community Challenge grant recipients, HUD Preferred Sustainability Status Communities, and EPA Sustainable Community Technical Assistance recipients and Brownfield Area Wide Planning grant recipients (collectively—Sustainable Communities Grantees!), and enable them to fulfill their anticipated outcomes. HUD and other Partnership agencies will work regularly with all selected intermediary service providers to maintain a coordinated and leveraged delivery approach that ensures the maximum benefit to local governments, regions, and planning entities and partners engaged in the prescribed activities.

The second purpose of the Program is to build a national coalition and leadership network of the Sustainable Communities Grantees. The purpose of the network is to facilitate the exchange of successful strategies, lessons learned, emerging tools and public engagement strategies, and approaches for avoiding or minimizing pitfalls. HUD will work with the selected intermediaries to develop a robust evaluation component for the network.

The FY 2011 awards announced in this Notice were selected for funding in a competition posted on Grants.gov and HUD's Web site on June 7, 2011. Applications were scored and selected

for funding based on the selection criteria in that NOFA. This notice announces the allocation total of \$5.65 million for Capacity Building for Sustainable Communities grants, of which \$650,000 was provided by the U.S. Environmental Protection Agency.

In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat.1987, 42 U.S.C. 3545), the Department is publishing the names, addresses, and amounts of the 10 awards made under the competition in Appendix A to this document.
